5. PUBLIC HEARING ON CONSIDERATION OF PROPOSED VILLAGE OF LAKE ZURICH ANNUAL BUDGET FOR FISCAL YEAR 2022 (Mayor Poynton)

Summary: As noticed in the Daily Herald on November 24, 2021 and on the Village website and in Benchmarks, this is a public hearing for the proposed annual budget for the Village of Lake Zurich's 2022 fiscal year, which will run January 1 through December 31, 2022. The proposed budget totals \$59.9 million to fund a full-service municipality with 157 full-time employees at Police and Fire, Public Works, Community Development, Parks and Recreation, Finance, and Administration.

The Village enjoys a stable financial position and as such, this budget is presented as a balanced operational plan for the next year with a projected operating surplus of \$11,000 for the General Fund. Due to inflationary market costs for commodities and services, personnel adjustments, and funding for capital projects that were delayed throughout 2021 due to the pandemic, planned expenditures for 2022 are increasing 16.7% compared to 2021.

The 2022 budget includes \$2.3 million in funding for road and related infrastructure improvements, along with another \$2.59 million in land and building capital improvements and \$5.45 million in water and sewer improvements. The Vehicle Replacement Program is updated annually and provides an overview of the age and condition of municipal equipment, with a recommended annual funding level of approximately \$850,000. The 2022 budget includes approximately \$1 million in vehicle and major equipment purchases, including two police vehicles, an ambulance, and a dump truck.

Total revenues for next year are expected to be \$56.6 million, an increase of 13.8% over 2021. No new revenue sources have been included in the 2022 budget.

A copy of the proposed budget has been available for public review at Village Hall, Elia Area Public Library, and on the Village website since November 10, 2021. All interested persons are invited to attend this public hearing and provide feedback to the Village Board on the proposed budget.

Recommended Action #1: A motion to open the Public Hearing on the Fiscal Year 2022 Village Budget and accept public comments into the record. Voice Vote.

Recommended Action #2: A motion to close the Public Hearing on the Fiscal Year 2022 Village Budget. Voice Vote.

G. Ordinance Amending Chapter 8 Entitled "Parking" of Title 6 Entitled "Traffic Code" of the Lake Zurich Municipal Code Regarding Snow Removal During Snowstorms and Natural Disasters (Ord. #2021-12-448)

Summary: The Village's new police towing agreement with Alpine Automotive, approved by the Village Board on September 20, 2021 results in a minor change in the Municipal Code language regarding vehicle relocation procedures following snow events. The existing language in the Code that says the Village shall pay the towing service fee up-front and then seek reimbursement from the vehicle owner should be removed.

H. Ordinance Amending Chapter 1 Entitled "Streets, Sidewalks, and Public Ways" of Title 7 Entitled "Public Ways and Property" of the Lake Zurich Municipal Code Regarding Deposits on Public Ways (Ord. #2021-12-449)

Summary: Village Staff has identified an ongoing annual problem with some residents shoveling or blowing snow in the street after the snow plows have already cleared the roadway. The snow gets driven over and the resulting packed snow and ice creates unsafe driving conditions.

The proposed Ordinance will update the Municipal Code to make it a violation to place any snow or ice into the street or in a way that covers fire hydrants. Staff also recommends including leaves and landscape debris into the violation language. Future violators would be issued local ordinance violation tickets in the amount of \$25 which double to \$50 if not paid within a timely manner.

7. NEW BUSINESS

(This agenda item includes matters coming to the Board of Trustees for discussion and possible action).

A. Ordinance Adopting the Annual Budget of the Village of Lake Zurich for All Corporate Purposes for the Fiscal Year Commencing January 1, 2022 and Ending December 31, 2022 (Ord. #2021-12-450) (Trustee Sprawka)

Summary: At the November 13, 2021 Committee of the Whole budget workshop meeting, Mayor Poynton and Trustees reviewed with Village Staff the proposed budget for Fiscal Year 2022, which begins on January 1.

The proposed budget for next year is presented as a balanced operational plan that advances several local infrastructure projects. The FY22 budget shows a small operating surplus for the General Fund.

The financial impact of the COVID-19 pandemic had many ramifications for Village finances since Quarter 1 of 2020, which led to the Village deferring infrastructure projects, capital purchases, and leaving some authorized positions unfilled for parts of 2021. Local revenues bounced back significantly in 2021 as the pandemic economy recovered, allowing the Village to increase funding for the current state of operations while also planning to invest significantly in local infrastructure in 2022.

With an eye on sustaining progress towards strategic goals and objectives, nearly \$11 million in Village infrastructure, municipal buildings, land improvements, and capital equipment is budgeted for 2022. The proposed budget plans on advancing several large capital projects identified in the Community Investment Plan. Some highlights in the FY 2022 budget include:

- \$2.2 million in road resurfacing and sidewalk improvements for the Braemar neighborhood and Concord Village.
- \$100,000 to accelerate the parkway tree replacement program to over 400 trees a year.
- \$756,000 for amenity and open space improvements at Paulus, Staples, and Sonoma parks.
- \$600,000 for parking lot and walking path resurfacing at Village Hall, Buffalo Creek, and Breezewald Park.
- \$1.69 million for infrastructure improvements along South Old Rand Road, including water and sewer mains, road resurfacing, and streetscaping. An additional \$150,000 for parking improvements on North Old Rand Road is also budgeted.
- \$35,000 for Buffalo Creek streambank stabilization.
- \$1.25 million in water main replacements along Route 12 and in Flint Creek Estates.
- \$2.5 million for a Buffalo Creek sewer lining project.
- \$136,000 for the replacement of two lift station pumps.

Revenues are forecast to remain fairly conservative in 2022, with modest increases for Utility Tax and more significant increases for Income Tax, Sales Tax, and Personal Property Tax as the post-COVID economy finds a new equilibrium. The projected budget is representative of careful consideration of the current economic environment, requests, balancing of department needs, limited resources, and a commitment for quality services.

Recommended Action: A motion to approve Ordinance #2021-12-450 Adopting the Annual Budget of the Village of Lake Zurich for All Corporate Purposes for the Fiscal Year Commencing January 1, 2022 and Ending December 31, 2022.

B. 2021 Property Tax Levy Extension Ordinance and Five Abatement Ordinances Regarding Debt Service

Summary: Each year, the Village Board approves a tax levy ordinance to certify with the Lake County Clerk's Office in order to extend property taxes on real estate parcels within Lake Zurich corporate boundaries. The 2021 levy request is based upon the estimated equalized assessed value (EAV) of those properties, as determined by the Elia Township Assessor's Office and the Chief County Assessor's Office.

Applying the rates authorized by the Property Tax Extension Limitation Law (PTELL), the Village is requesting a total levy of \$9,671,391 which represents an increase of 2.55% over the previous year. The tax levy request for 2021 includes \$1,218,878 for debt service and \$4,553,511 for the Police and Fire Pension Funds.

Five ordinances totaling \$2,594,578 regarding debt service abatements are also presented for Village Board action. As sufficient funds are available from other revenue sources to pay scheduled debt service payments as they become due, the need to extend a property tax levy on these issues is not warranted. Therefore, the Village will notify the County Clerk to not extend property taxes on these abatement ordinances.

Recommended Action #1: A motion was made by Trustee Sprawka, seconded by Trustee Weider, to approve Ordinance #2021-11-441 authorizing the 2021 Property Tax Levy Extension in the Amount of \$9,671,391.

C. Courtesy Review with Two Pointo LLC for a Proposed Recreational Cannabis Dispensary at 927 South Rand Road

Summary: Two Pointo LLC proposes to open a Lake Zurich adult-use recreational and medical dispensary at 927 South Rand Road (*formerly La Mula Mexican Grill restaurant*) pending approval of a Special Use Permit from the Village Board.

Two Pointo LLC secured a State cannabis dispensary license for the Chicago-metro area in the August 19, 2021 lottery that was held for top-scoring applicants with 100% scores. Any future retail operation operated by Two Pointo in Lake Zurich would use a different brand name for the store, pending marketing efforts that are currently underway.

In December 2020, the Village Board approved zoning regulations to allow cannabis dispensaries via a Special Use Permit in non-residential zoning districts and to formalize restrictions on the location, design and operations of such businesses. A Special Use Permit can only be issued via Ordinance by the Village Board after a Public Hearing process at the Planning and Zoning Commission.

The cannabis zoning regulations approved by the Board in December 2020 require cannabis dispensaries to be a minimum of 500 feet from a school, library, day care or group home; 250 feet from a park, and 1,500 feet away from another dispensary. The subject property at 927 South Rand Road meets the adopted zoning criteria for a cannabis dispensary.

The current cannabis zoning regulations adopted by the Village include references to applicable State statutes that apply to this highly-regulated industry, such as security, storage and transportation requirements. The ordinance also references the State statute for hours of operation, which are currently set at 6:00 AM to 10:00 PM.

If the concept for a second cannabis dispensary at 927 South Rand Road is acceptable to the Village Board, Two Pointo LLC intends to request consideration of a Special Use Permit by the PZC at an upcoming scheduled meeting.

Asst. to the Village Manager Kyle Kordell introduced the team representing Two Pointo LLC. They included David Berger, Owner; Andrew Scott, Zoning Atty.; Ed Farrell, Dir. of Security and Adam Saffro, Dir. of Real Estate Business Dept.

Village of Lake Zurich Board of Trustees Regular Meeting. Monday November 15th, 2021. 5

Andrew Scott gave a PowerPoint presentation of the proposed dispensary at 927 S. Rand Rd., addressing the site, traffic flow, parking, hours of operation. Owner David Berger followed with his background information in the dispensary business. Next Ed Farell, Security, shared their many layers of security, personnel training and delivery of product. Property owner, Jason Sfire of Fidelity Group, addressed the Board on the comments by residents and shared that Fidelity have been in talks with IDOT about installation of traffic lights on Rt 12, at their expense, to enter the Deerpath Commons property. He also addressed the parking lot spaces available to the dispensary. Mr. Sfire stated that they have been approached by other owners of dispensary licenses about coming to Lake Zurich.

Mayor Poynton asked the Trustees for their feedback. Trustee Gannon stated that she was in favour of the proposal. Trustee Weider asked about the appeal of Lake Zurich and David Berger responded that the village is open to dispensaries and the location and explained the differences between them and BLOC. Trustee Spacone stated that he was a negative vote to any dispensary. Trustee Bobrowski that he was not really in support of the proposal. Two Pointo staff answered Trustee Euker's questions on licenses held in and out of state, branding, how product is displayed, amount of tax, loitering, security breaches, contact with neighbouring businesses. Jason Sfire of Fidelity Group answered the latter question, having contacted all the businesses. John Sfire, Fidelity Group, addressed the meeting on his history of development with the Village. Trustee Sprawka asked Jason Sfire about envisioning the business in the future.

Mayor Poynton thanked Two Pointo for the presentation and they had received feedback from the Board.

Recommended Action: This is a non-voting item at this time. The developer and Village Staff seek to understand the Board's preferences towards the proposed use at this site.

MEMORANDUM

Date: November 17, 2021
To: Ray Keller, Village Manager *PK*
From: Steven J. Paulus, Public Works Assistant Director
Copy: Michael J. Brown, Public Works Director
Subject: **Track Loader Purchase-Public Works**

Issue: Purchase of a Track Loader in the Public Works Department.

Strategic Plan Impacts: This policy item is a strategic decision for the Village Board that could potentially impact the following objectives within the Strategic Plan:

- *Goal #1 Financial Sustainability*
 - Continue to conduct organizational analyses to determine if further efficiencies are *obtainable*.
- *Goal #2 Infrastructure Investment*
 - Implement Fixed Asset Replacement Inventory

Analysis: The FY2022 budget identifies the purchase of an additional Track Loader (\$75,000). Public Works currently operates one track loader. The current loader is used on a daily basis primarily for loading trucks of materials, lifting and moving of objects, unloading deliveries with forks, stump grinding, auguring for tree planting and sidewalk snow removal. The existing track loader is the piece of equipment of choice in the parks. The tracks cause significantly less damage to the lawns and landscapes than a wheeled loader.

The proposed new unit is a 2022 Bobcat T770, purchased through the Sourcewell Purchasing Cooperative. The proposed new unit will have many updated features including Tier IV clean air emissions, and is capable of using all twelve attachments already in service. The total purchase

cost will be \$71,776.00. The balance of the funds will be used for warning lights, communications, and safety equipment.

Recommendation: Purchase one 2022 Bobcat T770 from Atlas Bobcat using the Sourcewell Purchasing Cooperative Contract, in the amount of \$71,776.00 with total expenditures not to exceed \$75,000.00.

MEMORANDUM

Date: December 1, 2021

To: Ray Keller, Village Manager *PK*

From: Steven J. Paulus, Public Works Assistant Director

CC: Steven D. Husak, Police Chief
Michael J. Brown, Public Works Director

Subject: **Vehicle Replacement-Police Department**

Issue: As is the case with most modern municipal public safety agencies, the Lake Zurich Police Department largely deliver services to the public via its fleet of vehicles. This fleet represents a substantial investment of tax payer money, and the Police Department is committed to working with Public Works in managing its fleet as efficiently and effectively as possible. I work closely with police personnel to ensure that a reasonable plan is developed and carried out. The purchase of one replacement police vehicle has been recommended.

Strategic Plan Impacts: This policy item is a strategic decision for the Village Board that could potentially impact the following objectives within the Strategic Plan:

- *Goal #1 Financial Sustainability*
 - Continue to conduct organizational analyses to determine if further efficiencies are *obtainable*.
- *Goal #2 Infrastructure Investment*
 - Implement Fixed Asset Replacement Inventory

Analysis: The FY2022 budget contains \$44,000.00 to replace and equip one police vehicle. The vehicle scheduled to be replaced is a 2015 Ford Police Interceptor Utility with 110,000 miles currently used by the Administration Division. In order to standardize and increase efficiencies within the fleet, this vehicle will be reassigned to the Criminal Investigation Division (CID). The vehicle to be removed from the fleet is a 2008 Chevrolet Impala Sedan with 88,000 miles. This

car is currently active in CID. This car was acquired from Lake County MEG at no cost to the Village in 2016. This car will be sent to auction. This vehicle has met the replacement criteria and have been planned for replacement in the Community Investment Plan.

The proposed replacement vehicles will be 2022 Ford Police Interceptor Utility vehicles. The Village has purchased similar police patrol vehicles over the past several years and they have performed very well. The cost of the Police vehicle will be \$34,499.00. Delivery is expected eight to twelve months upon approval.

The balance of funds will be utilized to equip the vehicle with specific gear and safety features intended for emergency response vehicles.

Recommendation: Approval of the purchase of one 2022 Ford Police Interceptor Utility vehicle in the amount not to exceed \$44,000.00 from Currie Motors under the Suburban Purchasing Cooperative Contract #202.

MEMORANDUM

Date: November 18, 2021

To: Ray Keller, Village Manager *PK*

From: Steven J. Paulus, Public Works Assistant Director

Copy: Michael J. Brown, Public Works Director
Steve Husak, Police Chief

Subject: Vehicle Replacement-Police Department

Issue: As is the case with most modern municipal public safety agencies, the Lake Zurich Police Department largely deliver services to the public via its fleet of vehicles. This fleet represents a substantial investment of tax payer money, and the Police Department is committed to working with Public Works in managing its fleet as efficiently and effectively as possible. I work closely with police personnel to ensure that a reasonable plan is developed and carried out. The purchase of one replacement police vehicle has been recommended. The purchase of replacement pickup truck for the Police Department is recommended.

Strategic Plan Impacts: This policy item is a strategic decision for the Village Board that could potentially impact the following objectives within the Strategic Plan:

- *Goal #1 Financial Sustainability*
 - Continue to conduct organizational analyses to determine if further efficiencies are *obtainable*.
- *Goal #2 Infrastructure Investment*
 - Implement Fixed Asset Replacement Inventory

Analysis: The FY 2022 budget includes \$56,000 to replace and equip a pickup truck that replaces a 2015 Ford Expedition with 105,000 miles, in the Police Department. This vehicle has seen increased maintenance costs over the past several years. This vehicle meets the replacement evaluation criteria, therefore has exceeded its useful life and has been planned for in the Community Investment Plan. The current vehicle is used on a daily basis by the Supervisor in charge of each patrol shift and also serves as a command unit. In an effort to maximize potential

longevity within the fleet, the current Shift Supervisor SUV will be reassigned within the Police Department and remain outfitted as a backup command unit.

The vehicle being removed from the fleet is a 2005 Workhorse P42 van, with 157,000 miles. This van was donated to the Village by Peapod Inc. in 2010 and repurposed for use by the Police Department. This van has exceeded its useful life, therefore needs replacement.

The proposed replacement vehicle is a 2022 Ford F-150 Police Responder, a pickup truck specifically built for emergency response, purchased under the Suburban Purchasing Cooperative Contract, from Sutton Ford, in the estimated amount of \$39,657.00. This amount is based on the 2021 contract plus 3%. The 2022 contract is expected to be release at any time. The recommended vehicle is consistent with past purchases to standardize the fleet and reduce maintenance expenses. The balance of the budgeted funds will be used to outfit the vehicle with lights, siren, radios, and a cargo handling system.

Expected delivery is eight to twelve months upon approval.

Recommendation: Purchase one 2022 Ford F-150 Police Responder pickup truck in the amount not to exceed \$56,000.00 from Sutton Ford through the Suburban Purchasing Cooperative Contract.

MEMORANDUM

Date: November 30, 2021
To: Ray Keller, Village Manager *RK*
From: Steven D. Husak, Police Chief
Subject: **Proposed Municipal Code Amendments - 6-8C**

Issue: The recently approved police towing agreement includes a minor change in vehicle relocation procedures following snow events as contained in the Lake Zurich Municipal Code.

Strategic Plan Impacts: This policy item is a strategic decision for the Village Board that could potentially impact the following objectives within the Strategic Plan:

- *Goal #1 Financial Sustainability*
 - Continue to conduct organizational analyses to determine if further efficiencies are obtainable.

Analysis: After staff review of Article C, of Chapter 8, of Title 6 (Snow Removal During Snowstorms and Natural Disasters), there is a desire to update the language to reflect the new vehicle relocation procedures in the event such relocation is conducted. Such penalty is separate from any amount owed to the towing firm handling the relocation.

6-8C-7: SEPARATE OFFENSES:

Each incident of illegally parking or leaving unattended a vehicle shall constitute a separate offense. Without limiting the preceding sentence, when a vehicle is illegally parked or left unattended for a continuous period of time that lasts more than one day, each day, or part of a day, of that period shall constitute a separate offense. RE: Proposed FY 2022 Annual Budget

Dear Mayor Poynton and Trustees:

Please find for your review and consideration the proposed FY 2022 Annual Budget covering the period of January 1, 2022 through December 31, 2022.

The annual budget is a policy document that sets the financial direction for the Village and defines the service priorities for the community. It is the culmination of months of effort by the Village staff to align finite resources to the Village's strategic goals and the delivery of essential public services. The budget process provides the opportunity to evaluate past operational performance, monitor progress toward the Village's strategic goals and explore new opportunities.

This budget is presented as a balanced operational plan for the upcoming fiscal period. The Village enjoys a stable financial position while providing excellent services to its residents and businesses, primarily due to the Village's organizational and financial restructuring efforts over the past few years. The Village continues to carefully invest its finite resources in essential public services and infrastructure investments.

The General Fund budget for FY 2021 was approved with a modest surplus of \$9K, following the substantial revenue and expenditure reductions enacted in FY 2020 in response to the COVID-19 economic environment. The FY 2021 budget was assembled on the impacts of the COVID-19 environment extending, prompting the Village to be very conservative in both its revenue projections and its expenditure authorizations. As the year progressed, several major revenue sources rebounded, led by sales and income taxes, forecasted to exceed expectations by about \$1.35M and \$650K, respectively. Telecom, electric and gas utility taxes are all forecasted to exceed budget, along with increased parks & recreation, building permit, ambulance and video gaming revenues. Overall, revenues are expected to end the year about \$1.93M over budget. At year end, the Village anticipates a General Fund surplus of approximately \$14,000, as staff have remained disciplined in keeping expenditures contained. This

Proposed FY 2022 Annual Budget

November 8, 2021

conservative fiscal approach has allowed the Village to intentionally restore authorized but unfunded positions and set aside approximately \$1.8M for capital projects to be undertaken in FY 2022 and beyond.

The proposed FY 2022 Budget shows a projected operating surplus of almost \$11k for the General Fund. Revenues are forecasted to remain fairly conservative, with modest increases for Utility Tax and more significant increases for Income Tax, Sales Tax, and Personal Property Tax as the post-COVID economy finds a new equilibrium. The proposed budget is representative of careful consideration of the current economic environment, requests, balancing of department needs and limited resources and a commitment for quality services.

FY 2022 BUDGET CHALLENGES

The Proposed FY2022 Budget was developed with, among others, the following critical challenges in mind:

1. **COVID-19 Pandemic Revenues:** The FY 2022 budget relies on conservative revenue trends seen in the second half of FY 2021 extending into 2022, as the Village continues to navigate the economic environment impacted by COVID-19 and supply chain disruptions. Revenues are projected to remain flat or experience minor inflationary increases, depending on the source. Total FY 2022 revenue across all functions is projected to be approximately \$56.57M, approximately \$2.85M more than FY 2020 actual revenue and \$1.34M less than the estimated FY 2021 year-end revenue.
2. **Impact of State of Illinois Fiscal Crisis:** Lake Zurich, as well as all other units of local government, continue to operate under the cloud of the State of Illinois' fiscal crisis. The state budget continues to hold in place the reduced share of the Income Tax and an administrative fee on locally imposed taxes, such as the Non-Home Rule Sales Tax. The Village remains vigilant for any further executive or legislative actions that would impair local decision making authority or divert local government revenues to solve the State's own problems. While the impact has been minimal to date, further reductions could result in cuts to basic police, fire or public works services, increased taxes or a combination of both. As in the past, the Village will continue to hope for the best but prepare contingencies for less favorable scenarios.
3. **Ongoing Pension Obligations:** The Village's required contributions to police and fire pensions continues to increase to satisfy statutory and actuarial requirements. In FY 2022, contributions for police and fire pensions are projected to be \$4.55M, a 1.3% increase over last year's contributions. Both pension funds ended 2021 with strong gains. Facing a 2040 requirement for police and fire pensions to be fully funded, our police and fire pensions currently are 54% and 68% funded, respectively. Future funding levels and the resulting required contributions will remain sensitive to any new accounting requirements or increases in disability claims.

The Village remains committed to fulfilling its pension obligations, though funding levels will continue to be vulnerable to potential economic downturns, new state mandates and regulations, and unexpected retirement or permanent disability claims. The Village's risk management and

Proposed FY 2022 Annual Budget

November 8, 2021

personnel safety efforts focus on reducing the potential burdens of permanent disability claims on the pension funds. The Village will continue to invest in programs that encourage employee safety and long-term health, while working toward the required pension funding levels.

- 4. Constrained Sustainable Funding for Critical Capital Needs:** In 2019, the Village updated the twenty-year Community Investment Plan (CIP) that lays out a schedule and projected costs for replacing the Village's vehicles, equipment, buildings and infrastructure. The resulting product of compiling twenty-years of capital projects far exceeds the resources anticipated to be available to the Village. Long-range investment planning allows for better resource management, as funds can be set aside to offset spikes for prioritized large items. Identifying when assets need to be replaced also allows staff to focus time and resources on what is needed in the shorter term, without losing perspective of the bigger picture. Village officials can make informed decisions with knowledge of future demands.

The FY 2022 Budget includes \$2.3M in funding for road and related infrastructure improvements, along with another \$2.59M in land and building capital improvements and \$5.45M in water & sewer and related improvements. The Vehicle Replacement Program completed in 2014 and updated annually provides an overview of our age and condition of our equipment and recommends an annual funding level of approximately \$850K. The FY 2022 Budget includes approximately \$1M in vehicle and major equipment purchases, including two Police vehicles, an ambulance and a dump truck. Other equipment purchases have been deferred, either due to cost and/or availability in the COVID environment, and will be reprioritized in the anticipated CIP update to be completed in 2022.

BUDGET SUMMARY

The Proposed FY 2022 Budget totals \$59.93M for expenditures and other uses. Due to rising market costs for commodities and services, personnel adjustments, and funding for additional capital excluded in the prior year, this is a 16.7% increase from the 2021 budget. Departments were directed to submit budget requests for contractual and commodity costs at normal activity levels. All requests were reviewed on an individual basis to determine the necessity and benefit to the Village.

Total revenues and other financing sources are expected to be at \$56.57M for FY 2022, an increase of 13.8% over the current fiscal year's budget. No new revenue sources have been included in the Proposed FY 2022 Budget. Due to increased expectations, the FY2022 shows revenue growth, however, our approach is still to budget conservatively on revenue estimates.

BUDGET HIGHLIGHTS

General Fund: The General Fund is the Village's main operating fund and accounts for all revenues and expenditures associated with the Village's operations. Expenditures and other financing uses in the General Fund for the Proposed FY 2022 Budget total \$30.66 million, an increase of 9.1% over the current fiscal year's budget. Revenues for FY 2022 are expected to total \$30.67 million. In total, a surplus of \$10,811 is projected for FY 2022.

The General Fund expenditures increase is mainly due to increased capital outlay and restoring interfund transfers, as well as moderate increases for operations and maintenance. Due to uncertainty and lack of resources in the prior year, the general fund FY 2021 Budget eliminated transfers to the Equipment Replacement Fund and the Capital Improvement Project Fund. Those transfers were restored in the FY 2021 projected numbers as well as the FY 2022 Budget.

General government expenditures remain stable. The only significant changes are in administration and technology, due to the rearrangement of positions from technology director to management services director. Public Safety Departments of Police, Fire and Community Development are showing an increase of 3.0%. Public Works (Highway and Streets) is increasing by 20% resulting from increased personnel costs, commodity costs, and fuel and part and supplies in fleet services. Park and Recreation is increasing by 36% as their programs and services expect to return to normal activity levels. The required contributions to the Police and Firefighters' pension funds are up 1.3% from 2021 due to average salary increases that exceeded the assumption and an increase to anticipated retirements in the next few years.

Motor Fuel Tax (MFT): Motor Fuel Tax funds are primarily used for roadway maintenance, deicing operations and other minor capital expenditures related to roadways. MFT revenues for FY 2022 budget are projected to increase 88.7% from FY 2021 budget to \$1.21M primarily due to the "Rebuild Illinois" grant in which the village will receive six installments, totaling \$1.29M. During 2021, the Village received installments #2 and #3 in grant funding from the State of Illinois noted as "Rebuild Illinois". These funds are to be used towards bondable capital improvement projects when eligible infrastructure projects are identified. Fiscal 2022 expenditures are projected to increase 4.5% from fiscal year 2021 levels of \$428k to \$448k mainly due to new road salt contracts. The current year is expected to close with a surplus of

Proposed FY 2022 Annual Budget

\$804k which is about \$590k better than had been anticipated for in the current budget. FY 2022 is projected to close with a surplus of \$763k, bringing the FY 2022 ending fund balance to \$4.54M.

Special Events Fund: The Village Board and staff have committed to fostering civic pride through community participation, demonstrated through several major community events that have been developed such as Rock the Block, the Fourth of July festival, and the Farmers Market, all which are budgeted in this fund. Revenues of \$90k are expected to be generated directly from the events and transfers in of \$226k are budgeted from the General Fund (\$141k) and the Hotel Tax Fund (\$85k). Expenditures are expected to be \$308k for the various special events, an increase of 9.5% from the 2021 budget. As all the large events in this fund are held outdoors, a small surplus has been built in to the budget to account for any reductions in revenues due to bad weather. The Village is now also carrying insurance for its larger events as a hedge against the impacts of inclement weather on both event revenues and expenditures.

Dispatch Fund: A new separate fund was established in 2017 for Dispatch Services, which was previously included in the Police Department budget. Operations have grown considerably over the years, with the center now providing dispatch services for several other communities in addition to Lake Zurich. The fund allows staff to better track incoming revenues and related expenditures to analyze operations and increase transparency with our partnering communities. Revenues are forecasted for \$653k from other government agencies, \$150k from alarm rebates and funding from the Village Police (\$576k) and Fire (\$129K) for a total of \$1.51M. Expenditures are anticipated at \$1.62M, leaving a deficit of \$105k for fiscal 2022.

Tax Increment Financing (TIF) Funds: The Village TIF funds account for the receipt of taxes, payment of the annual school impact fee, the debt service, and previously, some capital projects. With the creation of TIF #2 for the downtown area, several items were shifted from TIF #1 to TIF #2. The debt remains with TIF #1 and the corresponding debt payments. Land held for resale purposes, valued at about \$3.04M, is included in the fund balance of TIF #2.

TIF #1 revenues for fiscal year 2022 include an estimate of \$1.39M in TIF increment property taxes. The current fiscal year came in at \$1.39M for the year. For expenditures, the TIF #1 funds include an estimated \$550K for the annual impact fee to School District 95 and \$2.05M in debt service payments. Total expenditures are \$2.59M for the TIF #1 funds.

TIF #2 is projected to receive incremental property taxes of \$299k during 2022. Property tax receipts, plus rental income from village owned properties in the district (30k) and a small amount of interest income brings the total revenue budget for 2022 to \$329k. Expenditures are proposed for \$1.72M, which includes the water and sewer main replacements at South Old Rand Road. The Water/Sewer Enterprise Fund will advance \$1.69M to TIF #2 to assist with infrastructure expenditures.

TIF #3 is projected to receive incremental property taxes of \$56k. Expenditures are proposed for \$1k.

Proposed FY 2022 Annual Budget

November 8, 2021

Capital Projects Fund: The Capital Projects Fund accounts for expenditures related to capital projects (buildings, land, and storm water management) and relies on transfers from the General Fund to fund projects. There is no designated revenue source for this fund, however, the American Rescue Plan Act money received in 2021 (\$1.35M) and the second installment budgeted in 2022 (\$1.35M) have significantly contributed to increasing the fund balance. The Proposed FY 2022 Budget includes revenues and other financing sources of \$2.45M and total expenditures of \$1.82M, increasing the fund balance by \$633k. The village intentionally sets aside funds to build a fund balance for larger upcoming projects. This reduces the impact to the General Fund in future years. The village has identified several large capital projects coming up in the next few years through the Community Investment Plan.

Non-Home Rule Sales Tax (NHRST) Project Fund: The Non-Home Rule Sales Tax (NHRST) Project Fund was created in FY 2012 to account for proceeds raised from the levy of a new non-home rule sales tax to fund infrastructure improvements. The use of these funds is restricted and not all capital projects are eligible. The Proposed FY 2022 Budget includes revenues of \$2.28M, a 32.2% increase over the current fiscal year's budget of \$1.72M, and a 1.5% increase over 2021 projected of \$2.25M. Expenditures of \$2.27M are included for the FY 2022 budget. The focus will be the annual road resurfacing projects and other critical infrastructure. The current year is projecting to end the year with an excess of \$45k, and projects a FY 2022 year ending fund balance of \$2.98M.

Water & Sewer Fund: The Water & Sewer Fund is an enterprise fund accounting for all revenues and expenditures related to the production, distribution, and collection of the Village's public water supply and sanitary service. A capital lease was executed in 2017 for \$3M to provide for a comprehensive water meter replacement and automation program, completed in 2018. The new equipment provides more accurate and fair readings as well as automated daily readings, available to both staff and residents.

The Proposed FY 2022 Budget includes revenues and other funding sources to total \$7.39M with expenses of \$10.40M. The 2022 Budget expenses include \$2.50M allocated for the sanitary sewer lining capital project and \$1.25M for the water main replacement project. The Water & Sewer Fund will also advance TIF #2 \$1.69M for the completion of water and sewer main replacement along South Old Rand Road. The FY 2022 budget does not include an increase to the water rate. The Village will need to consider additional revenue options in future years to provide sustainable funding for all of the system improvements that will be necessary over the next ten years. The Village is constantly reprioritizing repairs and replacements as new information is gathered.

From a cash flow perspective, depreciation of \$1.94M is a non-cash transaction included in the budget. Principal payments on the existing bonds of \$717k is a reduction to liabilities, and not budgeted. This will decrease the budgeted deficit of \$3.01M to a cash flow deficit of \$1.83M. The FY 2022 year-end cash is projected to be \$7.12M. Looking at upcoming projects in the Community Investment Plan, that cash balance will be depleted quickly in the next few years without significant cash flow increases.

REVENUES

The Proposed FY 2022 Budget includes no new major revenue sources. A modest increase in the property tax levy has been included (part of which is used to help offset an increase in pension contributions).

Proposed FY 2022 Annual Budget

November 8, 2021

Property Tax: Property taxes are the taxes levied on the equalized value of real property in the Village and continue to be the Village's largest source of revenue. Property taxes are utilized to fund general Village operations and pension obligations. The Proposed FY 2022 Budget includes estimate property tax revenue in the General Fund of \$3.9M for village purposes and \$4.6M for public safety pensions. Additional property taxes are recorded in the Debt Service Fund for \$1.2M to fund debt payments.

Telecommunications Tax: The telecommunications tax has been a declining source of revenue for municipalities the past several years due to consumers abandoning land lines in favor of cellular service, which is typically more affordable in regards to long distance calls. Projected revenue for FY 2021 is expected to surpass the budget by \$26k. Proposed FY 2022 Budget includes telecommunications tax receipts of \$454k.

Sales Tax: Sales taxes represent a significant source of revenue for the Village and are utilized to fund general Village operations. Current year receipts are expected to come in at \$7.05M compared to the

budget of \$6.13M. The Proposed FY 2022 Budget includes sales tax revenue of \$7.12M, with an increase of roughly 1.5% over the current year receipts.

Income Tax: The Village's share of the state income tax in FY 2022 is budgeted to be \$2.62M. Receipts for 2021 are projecting higher than budgeted at \$2.61M. While the State of Illinois has raised the overall rate for the tax, they have also reduced the amount shared with municipalities. For 2022, an increase of 1.5% is assumed for the budget.

Non-Home Rule Tax: Current year receipts of the non-home rule sales tax are expected to come in over budget at \$2.24M compared to a budget of \$1.72M. As mentioned earlier, the State of Illinois began retaining 2% of this tax as an administration fee in July 2017 and adjusted it down to 1.5% in 2018. This

is expected to cost the Village about \$30k per year. For fiscal year 2022, receipts are estimated at \$2.28M, up \$34k from projected fiscal year 2021. This sales tax varies from the Municipal Sales tax in that vehicles, groceries and a few other items are exempted from the tax.

DEBT

One of the continuing fiscal issues facing the Village is the outstanding debt obligations. Total outstanding bond debt principal at the start of the 2022 fiscal year will be \$25.21M. Of this debt, \$19.88M is associated with TIF District #1 as general obligation bonds.

FUND BALANCE FOR THE GENERAL FUND

The Proposed FY 2022 Budget will not require drawing down the fund balance of the General Fund in order to present a balanced budget. Living within our means for 2021 has resulted in a projected FY 2021 surplus of \$14k, bringing the fund balance to \$12.09M. The 2022 budget lines up an anticipated \$11k surplus, a positive impact to the fund balance as well. An estimated \$10.22M will be unreserved, representing 35% of 2022's annual expenditures. The Village's fund balance policy is currently to maintain a minimum of 25% for the General Fund and a target of 40%.

While above the fund balance policy, it is important to remember that fund balance is not equal to cash available for expenditures. Projected ending cash for FY 2022 is \$9.02M.

PERSONNEL

As a service organization, our employees are our greatest asset, as they work hard every day to ensure that our mission of providing reliable and efficient services is fulfilled. Personnel costs represent, as in any municipal budget, our greatest expenditure. Thus, we must work to ensure that the compensation and benefits provided to our employees strikes the appropriate balance between rewarding their hard work, and dedication to the organization, while being fiscally responsible. We must also properly organize the structure and work of our employees to maximize individual effectiveness.

The Proposed FY 2022 Budget includes one additional authorized full-time position compared to 2021. The Community Development Department added one full-time position in mid-2021, consolidating the responsibilities of two part-time positions. Since the position was approved after the adoption of the 2021 budget, it is formally recognized by the FY 22 budget. Additionally, a few departments reorganized positions within their departments, such as Administration, Technology, and Finance.

Proposed FY 2022 Annual Budget
November 8, 2021

ACKNOWLEDGEMENTS/ CONCLUSION

The preparation of the annual budget would not have been possible without the diligence and collaborative efforts of our department directors. In particular, the budget is the product of the professional and thorough work of a small team of staff led by Finance Director Amy Sparkowski, with the assistance of Management Services Director Michael Duebner, Human Resources Director Doug Gibson, Director of Public Works Mike Brown and the rest of the executive team and Finance Department staff. They make possible this critical plan for managing the Village's resources in the upcoming fiscal year.

The proposed FY 2022 budget continues the Village's commitment to providing a high level of service to residents, businesses and guests, while responsibly managing the resources entrusted to the Village. The proposed budget cautiously advances the community's strategic goals, particularly in the areas of financial sustainability, service sustainability and infrastructure investment, in alignment with the resources anticipated to be secured by the Village as it continues to navigate the COVID-19 pandemic environment.

On the behalf of the Village Staff, I am proud to submit this balanced FY 2022 Budget to the Mayor and Board of Trustees and recommend its approval as presented. Should you have any questions about the information presented in this document, please contact me at Ray.Keller@LakeZurich.org or Finance Director Sparkowski at Amy.Sparkowski@LakeZurich.org / 847-438-5141 x7200.

Respectfully,

Ray Keller

VILLAGE OF LAKE ZURICH COMMUNITY PROFILE

General Information

The Village of Lake Zurich is located in southwestern Lake County approximately 37 miles northwest of downtown Chicago. The Village is an established residential community which traditionally served as a market center for surrounding rural areas and, earlier in the 20th century, as a popular summer resort. The population has increased by more than five times since 1960, as the Village has shared in the economic growth that has come from an expanding Chicago metropolitan area. Lake Zurich has developed into a community with above-average wealth and housing values, and a balanced tax and revenue base.

Settlers first came to the area in the 1830's. George Ela settled in the area of Deer Grove, not far from Cedar Lake (now Lake Zurich) in 1935. Seth Paine, a Chicagoan, came to the area in 1836, and built a number of commercial establishments in what is now downtown Lake Zurich. New England farmers and German immigrants followed, and the Village was incorporated on September 19, 1896.

The Village grew slowly after its incorporation. The Palatine and Lake Zurich and Wauconda Railroad was built in 1910, but the line was discontinued in 1920. Rand Road (now U.S. Route 12) was paved through town in 1922, and helped establish Lake Zurich, with its rural setting and 250-acre lake, as a summer resort community. The east-west State Route 22, which also runs through Lake Zurich, was constructed in 1927. Population growth accelerated after World War II, with the Village's population increasing from 850 in 1950 to 3,458 in 1960, and further to 4,082 in 1970, 8,225 in 1980, and 14,927 in 1990 (up 81.5% from 1980). Since this period of rapid growth, the Village's population has stabilized to just under 20,000. The 2020 Census tabulates Lake Zurich's population at 19,759. The land area of the Village is 6.9 square miles.

The Village's municipal neighbors include North Barrington to the west, Deer Park to the south, Kildeer to the southeast and east, and Hawthorn Woods to the north. Transportation links include U.S. Route 12 and State Route 22, and freight rail service by the CN Railroad. Commuter train service to Chicago is available in Barrington, five miles from Lake Zurich. O'Hare International Airport is approximately 30 miles from the Village.

The Village is a non-home rule community that operates under the management form of municipal government as provided in 65 ICLS 5. Lake Zurich is governed by a President and a six-member Board of Trustees. All are elected at an at-large basis in non-partisan elections to overlapping four year terms. The Board and President are charged with (among other things) setting policy, passing ordinances, adopting the budget and hiring the Village Manager. In turn, the Village Manager oversees the day-to-day operations of the Village.

VILLAGE OF LAKE ZURICH, ILLINOIS

THE BUDGET PROCESS

The budget serves as a communications device, policy document, operations guide, and financial plan. As a communications device, it contains information pertaining to key issues facing the village, priorities of the village administration, major initiatives for the coming year, and more. As a policy document, it articulates and reflects major financial policies of the village. As an operations guide, it serves as the village's spending plan and indicates the level of services to be provided. As a financial plan, it includes information relative to debt service, revenue estimates and requirements, and future projects and needs.

The village's budget process spans over five months and consists of many steps. A descriptive summary of the budget process is provided below. The budget calendar for the village is also included at the end of this section.

The Annual Budget

The village establishes annual budgets for all of its funds except the Foreign Fire Tax Fund, the Police Pension Fund, and the Firefighters' Pension Fund. The village budget includes both revenues and expenditures. The budget is prepared using the cash basis of accounting. Under this basis of accounting, revenues are recognized when received and expenditures are recognized when paid.

In Illinois, municipalities may conduct their financial operations within one of two alternative frameworks: the appropriation system (65 Illinois Compiled Statutes 5/8-2-9) or the budget system (65 Illinois Compiled Statutes 5/8-2-9.1 through 9.10). The budget system is a more flexible system as it permits a municipality to adjust its annual financial plan more easily as circumstances require. The village operates under the budget system.

State law requires that a municipality operating under the budget system adopt its annual budget prior to the start of the fiscal year to which it pertains.

The budget process began in July with the Village Manager/Budget Officer and Finance Department distributing general budget guidelines to the various department directors. Departments then began developing their budget requests and entering them into the village's budget software. Departments submitted their budget requests to the Finance Department by early September. After the Finance Department develops revenue estimates and organizes the budget requests, the Village Manager, Management Services Director, and Finance Director met with department heads to discuss their budget requests. The Director of Public Works also consulted regarding any requests or upcoming projects relating to village infrastructure or assets; similarly, the Human Resources Director consulted regarding any requests related to staffing, training and risk management issues. The Village Manager adjusted the proposed budget based upon findings from those meetings.

At the conclusion of the Village Manager's budget review meetings, the Finance Director adjusted budget requests as directed by the Village Manager and produced the proposed budget document. The proposed budget document is then submitted to the Village Board for review.

State law requires that a public hearing be conducted prior to the adoption of the budget. Notice of this hearing must be published in a newspaper of general circulation in the village. A majority vote of a quorum of the village board is required for adoption of the budget. The adopted budget must be filed with the county clerk within thirty days after its adoption.

As stated above, the budget system is a more flexible system than the appropriation system. The major feature of the budget system that makes it more flexible is administrative budget transfers. Pursuant to state law and the Village Code, the Budget Officer may transfer amounts within object classes budgeted previously to any department, board or commission. Administrative transfers of amounts between departments and between funds are not allowed without village board approval. Total budgeted expenditures in a fund may only be increased by a budget amendment approved by a two-third's vote of a quorum of the village board.

The legal level of budgetary control is the department level, or, where no departmental segregation of a fund exists, the fund level.

The Community Investment Plan

The village adopted a Community Investment Plan (CIP) in 2019, a twenty-year projection of capital projects, infrastructure and equipment. The CIP is a stand-alone document that emphasizes short-term capital projects without losing sight of the community's long-term needs. In general, the CIP is fiscally constrained in the first five-year window with priorities balanced against projected resources. Years 6-20 are less constrained as both costs and revenues become more difficult to accurately predict. The CIP is a planning tool - the village does not commit to funding a CIP project until it is incorporated into the budget for an upcoming fiscal year.

For a project to be included in the CIP, it must involve the creation or purchase of a tangible asset with an original cost of at least \$20,000 and a useful life in excess of one year. Candidate CIP projects are reviewed by the Village Manager, Director of Public Works, Management Services Director and Finance Director to assess costs, timeliness and alignment with the Village's strategic goals. The projects are then submitted to the Village Board for review and acceptance. While the CIP contains a comprehensive list of identified capital needs, those projects programmed for the current year of the CIP are most scrutinized by the Village Board because their funding must be addressed in the current year's budget process. Inclusion in the CIP does not guarantee inclusion in the annual budget or approval by the Village Board.

The Strategic Plan

The Strategic Plan is a comprehensive program of major goals for the village as a whole. The achievement of these goals requires interdepartmental cooperation. In May 2014, the Board of Trustees adopted the Lake Zurich Five Year Strategic Plan. Five major goals were established consisting of Financial Sustainability, Development, Infrastructure, Service Sustainability, and Civic Engagement. Due to the COVID-19 pandemic, the Strategic Plan has been extended and a future Strategic Plan will be prepared in 2022.

VILLAGE OF LAKE ZURICH, ILLINOIS

THE STRATEGIC PLAN

A critical element in crafting the annual budget is ensuring the services provided each year align with the Village Strategic Plan goals. The current strategic plan covers focuses on five major goals:

- Financial Sustainability
- Development
- Infrastructure
- Service Sustainability
- Civic Engagement

Some accomplishments from the past 2021 year include:

Goal #1 – Financial Sustainability

- **Village Reserves.** The Village's official fund balance policy is to maintain a minimum of 25% for the General Fund, with a target of 40%. This reserve is maintained for use in emergency situation. The projected year-end General Fund Reserve is 35%. This is a significant accomplishment that allows for top bond ratings and low interest rates for tax payers.
- **Stable Outlook.** The Village of Lake Zurich has maintained its AAA stable outlook bond rating status from Standard & Poor's, which it has held since 2013, based on the following factors:
 - Very strong local economy, with a projected per capita buying income at more than double the national average
 - Very strong budgetary flexibility
 - Strong overall budgetary performance
 - Strong debt and contingency liabilities profile
- **Pension Obligations.** Continued to fund public safety pension obligations to meet the 100% funding goal by 2040. The most recent actuarial valuations for 2021 show the Police Pension Fund is 53.89% funded and the Fire Pension Fund is 68.01% funded.
- **Avoiding Large Insurance Spikes.** The Village has maintained low health insurance premium increases over the past year (*in the single digits!*) for employees by promoting health and wellness

among our municipal team and minimizing risk through a partnership with dozens of other municipalities through a shared health insurance pool (*IPBC*).

- **Reducing Risk.** Contained general liability claims to less than 8 through October 2021. The average number of general liabilities claims over the last decade (since 2011) is 15 claims.
- **Finding New Revenue Sources.** The Fire Department enrolled in the Ground Emergency Medical Transport billing program through Medicaid and also began mutual aid EMS billing. Through September 2021, an additional \$121,618.53 of revenue has been collected.

Goal #2 – Community and Economic Development

- **Welcoming New Business.** Lake Zurich economic development efforts continue to attract private sector investment. New businesses in 2021 include Sungor Transportation, g2 Revolution, Andy's Deli, Popeye's Louisiana Kitchen, La Michoacana Ice Cream, Stompin' Grounds Café, Every Kind of Beautiful, Formula 1 Cheer, Chicago Badminton Academy, Kraft Chemical, Lake County Stars, Milieu Landscaping, Journey Cremation, Brightway Insurance, Acosta's Home Consignment Store, MVP Sports, and the return of Papagus Gyros at its new location on South Old Rand Road.
- **Phase Three Brewing Expansion.** Phase Three Brewing Company on Donata Court expanded dramatically in 2021. Onsite retails sales, self-distribution, and sales to liquor retailers required additional production, staging and distribution space. The principals of Phase Three purchased the two units leased since moving into the space and purchased two additional units to accommodate their present needs.
- **Private Sector Investments.** Several existing businesses in Lake Zurich reinvested in the community in 2021, with significant remodels of Wal-Mart, Jewel-Osco, and Aldi completed. The private sector investing millions into the redesign of facades and new store interiors is a sure sign of Lake Zurich being an attractive market for retailers.
- **Attracting New Families.** Lake Zurich continues to welcome new residents and future families into our community. This past year has seen several new residential start-ups that are currently underway, including The Sanctuary of Lake Zurich on the northwest corner of the Lake (*23 townhomes within three buildings plus a commercial component on the corner*), Canterbury Townes on Route 22 (*38 townhomes within nine buildings*), Avery Ridge off of Midlothian Road (*34 single-family homes*), and Wildwood Estates on Honey Lake Road (*24 duplex residences within 12 buildings*).
- **Factor 75 Moves to Lake Zurich.** The Village was pleased to attract Factor 75 to the former Peapod building (which was vacant for about a year after Peapod closed). The company specializes in providing fresh packaged, refrigerated, ready-to-eat meals in the Chicago area. The Chicagoland based company has two kitchens in Aurora and Burr Ridge. However, due to the increasing demand for this product they were looking to expand.

- **Echo Corporate HQ Expansion. Again.** Echo recently purchased the former Tredegar property on Oakwood Road. It is looking to expand its storage and manufacturing capacity in Lake Zurich and is vacating the Wauconda facility. Plans call to eventually build a new storage facility at the former Tredegar site, but they will use the current buildings for that purpose until plans are finalized to build a new facility.

When Village officials visited Echo with the Trade Commissioner of Japan in January of 2020, their then-stated goal was to reach an employee complement of 1,000 (some of which are seasonal). They have reached that goal and plan to continue to expand their workforce. Back in 2017, Echo completed another 51,000 square-foot expansion that houses two additional business divisions.

- **Lake Zurich Hosts Foreign Direct Investment Workshop.** Over Summer 2021, the Village hosted the first in-person Select Chicago workshop since early last year which focused on foreign direct investment in American cities and counties. Mayor Poynton and Village Staff provided an overview of the advantages of doing business in Lake Zurich, followed by a presentation from the Counselor of Economic Affairs of the Republic of Lithuania and the Manager for the USA market of Hegelmann USA, a Lithuanian/German company which is expanding freight transportation operations in the US. The session also includes representatives of companies from Australia, Poland, and Estonia who recently started operations in the United States.
- **Main Street District Redevelopment.** In Summer 2021, the Village completed an agreement with Main Street's Lake Zurich Florist for the sale and redevelopment of vacant lots on South Old Rand Road (former site of Tail-Waggers, Alicia's Nails, and the Alpine Medical building). The redevelopment includes a new two-story mixed-use building with four commercial tenant spaces on the first floor and four residential units on the second floor, with a completion date expected by September 2022.
- **Attracting New Growth Industries.** At the end of 2020, the Village approved comprehensive zoning regulations allowing for the establishment of recreational cannabis dispensaries within non-residential districts. In Fall 2021, the Village successfully attracted its first dispensary to locate at the former TGI Friday's restaurant on Rand Road. Justice Cannabis Company will be renovating the building into one of its flagship retail locations in Illinois for its "Bloc" Cannabis Dispensary, which is expected to be open in Spring 2022.
- **Life Time Athletic.** The Village has stayed in touch with reps from Life Time for regular status updates. After pausing construction throughout much of the pandemic, Life Time has now indicated a completion date of June 2022. Roadway improvements along Rand and Old Rand Road are mostly complete as of November 2021 and an updated landscape plan is being reviewed to ensure adequate screenings at the east side of the property to buffer adjacent residential properties.

- **Vault 232.** Another big win for Main Street is the redevelopment of the former Bank of America building, this one spearheaded by local Lake Zurich residents. Vault 232 is moving forward with a total renovation of this building with a high-end dining establishment that will include a banquet space, bar area, oyster bar and fresh seafood retail store. Vault 232 has now leased 100% of this nearly 10,000 square foot building, which promises to be another Lake Zurich dining destination. Vault 232 on Main is expected to be open by the end of 2021
- **Main Street Blue Ridge Korean BBQ.** Last year, the Village sold the small office building at 133 West Main Street to a Korean BBQ restaurant, which is moving its operations from Park Ridge to Lake Zurich. Redevelopment of this building into a new restaurant space is taking longer than expected due to material and contractor shortages resulting from the pandemic, but is expected to be open in the early part of 2022.
- **Construction Permits.** Despite the economic and supply chain challenges of the last several months related to the COVID-19 pandemic, the Village has issued 1,319 construction permits as of November 1, 2021, which is about 200 more compared to the same time period last year. With the economic recovery now in full swing, the Village is well on track to exceed the 1,506 permits that were issued in 2020.

Goal #3 – Infrastructure Investment

- **Tennis and Pickleball Courts Refreshed.** The Village renovated the Heatherleigh tennis courts, which now also include pickleball courts (to be used with portable nets) and repurposed the former Safety Town pad at Paulus Park to be a permanent pickleball court furnished with a net for community use.
- **Alternative Water Source Study.** The Village is diligently progressing on the year-long water resources study with outside consultants to examine alternative water sources for the residents and businesses of Lake Zurich. Specifically, the Village is looking at the most cost-effective methods of obtaining Lake Michigan water through different joint action water agencies in the northwest suburbs. Alternatively, the Village could install system improvements to stay on the current deep aquifer well system. The study is expected to be completed by the first quarter of 2022.
- **Outfitting Public Safety with New Equipment:** New fire department Battalion 32 shift commander vehicle and new chief officer staff vehicle were placed into service. Purchased a new fire engine for the community, to replace an aged 20-year-old engine. Also purchased and placed in service a new Lifepak 15 cardiac monitor.
- **2021 Road Resurfacing Program:** Resurfacing was completed this year in the Deerpath Road and Quail Run subdivisions, providing several hundred Lake Zurich homes with freshly paved streets.

- **2021 Concrete Repair Program:** The Village's program completed repairs in the following subdivisions: the Heights, Flint Creek Estates, Millers Grove, Lake Zurich Estates, and Miller Road.
- **2021 Sewer Lining:** Lining has been completed on the municipal sanitary sewer main on Old Mill Grove Road. Additional lining was completed in the Old Mill Grove and Manor subdivisions.
- **Hydrant Painting:** Crews completed the annual hydrant painting program for a few hundred hydrants in Countryside West, Chasewood North, Quail Run, Braemar, West Cuba Road, Lake Zurich Drive, Whitney Road, and the Main Street District.
- **Well Maintenance:** Annual well maintenance is underway at Well # 9. Material shortages has delayed the completion, but maintenance is anticipated to be completed by the end of 2021.
- **EAB Tree Replacement Program:** 213 parkway trees were planted in 2021 in Concorde Village, the Heights, Farm Bridge, Sonoma, the Orchards, Jonquil Estates, and Heatherleigh subdivisions. For over five years, the Village has been dedicating \$50,000 each year for parkway tree, based on the order that trees were removed during the emerald ash borer infestations.
- **Kuechmann Kove at the Arboretum:** The Village welcomed the newest amenity to the community in 2021, the Kuechmann Kove playscape at Kuechmann Arboretum. Building this kid's nature playscape is intended to provide an opportunity for unstructured play in a woodland setting and could not have been accomplished without the dedicated volunteers of the Ancient Oaks Foundation.
- **2021 Pavement Crack Sealing Program.** Crews completed street crack sealing repairs on the following Lake Zurich roads: Interlaken Drive, Bern Court, Red Haw Lane, Whitebirch Lane, Portree Lane, Harvest Drive, Ravenswood Court, Buffalo Creek Drive, Brookfield Court, Meadowbrook Lane, and Meadowbrook Court.
- **Kildeer Crossings.** The Village agreed to supply the 94-home Kildeer Crossing development, at the corner of Rand and Cuba Roads in Kildeer, with water and sanitary sewer services. The project will contribute nearly \$1M in connection fees for the water & sewer fund and will replace an aging water main, saving the Village approximately \$250K. The Village also negotiated an additional \$500K capital contribution, which was set aside in the Capital Improvement Fund for projects in future years.

Goal #4 – Service Sustainability

- **Attracted Several New Employees to the Team.** Throughout the pandemic, talent acquisition efforts were challenging, but the Village still managed to hire more than 60 part-time and full-time individuals (most of these are seasonal parks staff). During a time where local governments nationwide have experienced recruitment and hiring struggles, the Village has continued to attract, hire, and train highly qualified individuals.

This includes new Fire Chief David Pilgard, who was appointed as Chief in July 2021 after 33 years of service with the Lake Zurich fire service, and new Finance Director Amy Sparkowski, who was appointed as Director in August 2021.

- **Curbside E-Waste Event.** Lake Zurich's first ever curbside e-waste collection event occurred in July 2021. This is part of the Village's new agreement with Prairieland Disposal / LRS. A total of 28 pallets full of old electronics were collected. Each pallet weighs about 200 pounds, so between 2 – 3 tons of e-waste was collected in this new convenient way to dispose of e-waste.
- **Planning Ahead for the Future.** Developed retirement and succession plans for command staff and firefighter/paramedic crews in the Fire Department.
- **Adapting to New Legislation.** The Lake Zurich Police Department successfully managed significant law changes found in the Illinois SAFE-T Act. Applicable general orders were revised and necessary training updates were prepared.
- **Strong Regional Collaboration.** Lake Zurich Police Department personnel participated in a variety of law enforcement mutual aid task forces, such as major crime teams, crash investigations, SWAT, etc. As of early November 2021, task force officers have responded to 34 requests for assistance from stricken agencies.
- **National Incident Based Reporting.** The Lake Zurich Police Department was one of the first agencies in the region to successfully transition from the Illinois Uniform Crime Reporting (IUCR) Program to the National Incident-Based Reporting System (NIBRS).
- **Advanced Evidence Technician Program.** The Lake Zurich Police Department launched an Advanced Evidence Technician Program. This program identifies those officers with the desire and ability to successfully complete advanced evidence training programs.
- **Staying Prepared - Incident Command System.** The Village of Lake Zurich Office of Emergency Management Staff Team used the Incident Command System (ICS) to develop Incident Action Plans (IAPs) for significant events that could occur in the community. In addition to enhancing the readiness of the village, the foundation was laid to continue to use the ICS by more personnel thus increasing the preparedness to respond to significant and critical incidents.

- **Facility Restoration** - Innovation & Technology developed and implemented a plan to provide technology to support operations in the Paulus Barn. WiFi is now supported on both floors with updated connectivity to remote park buildings.
- **Barn Repaired and Reopened.** Finished renovations and completed the return of operations to the Paulus Park Barn as of June 2021 after the structure fire, followed by the removal of the modular trailers and restoration of the popular skate park.
- **Parks and Recreation Attracts Growing Interest.** Signature programs offered through the Park & Recreation Department include aquatics, the Academy of Performing Arts (dance), day camp, and early childhood Yellow Brick Road Preschool programs.
 - The Village has seen growth in both participation and revenue year-over-year in aquatic beach passes/daily visits (30% increase) and dance (66% increase).
 - The Village also returned to offering day camp (canceled in 2020 due to childcare pandemic restrictions) and expanded pre-school offerings to two different locations due to the increase in Fall enrollment.
 - In 2021 the Village also included a resident benefit of a season non-motorized water craft permit program resulting in 59 season permits and 52 daily permits issued to the community.
- **Parks and Recreation Events Returned.** The Village offered COVID-friendly events for the community, such as the drive-thru Bunny event and various social media contests in Spring 2021 and the return to in-person community events in Summer 2021. The Village welcomed four new event partners this year with Phase 3's Bushel of Apples Fest, All Community Event's Jack O' Lantern World, Food Truck Socials at the Promenade and the new Unplugged Fest.

 An expanded internal event line-up included a community clothing drive and Groove Grove Friday's at the Promenade. Food Truck Socials and Groove Grove operated from the Block A / Promenade property to increase exposure and use of the site and bring more community members to enjoy Main Street.
- **Playground Renovation Plan.** The Village revisited and expanded the playground renovation plan to include formerly eliminated neighborhood park playgrounds at Jonquil Park and Warwick Park.
- **Annual Isaac Fox Walk to School Event.** In October, members of the Lake Zurich Fire and Police Departments, along with Mayor Poynton and District 95 officials participated in the annual Isaac Fox Walk to School event. This walk is held in conjunction with International Walk to School Day

and celebrates the benefits of walking to school. The participants walked from LA Fitness to the Cuba Road schools.

- **Styrofoam Recycling Pilot Program.** The Village kicked off a new styrofoam recycling pilot program in Spring 2021, providing the community with another option to dispose of a material that typically ends up in nearby landfills. Partnering with the American Legion, the Village's styrofoam recycling site is now operational for eco-minded residents.
- **Drug Take Back Events.** Hundreds of pounds of unwanted pharmaceuticals were collected at the police department drop boxes throughout 2021 and during two DEA national drug take back events.
- **Governor's Hometown Award.** The Village received a 2021 Governor's Hometown Award, which is proudly displayed on Rand Road. Village and Ancient Oaks Foundation improvements to Kuechmann Arboretum over the past several years were chosen for consideration. The award is intended to give formal recognition to projects that improve their community's quality of life.
- **Public Safety During COVID.** The Lake Zurich Police Department has adapted methods of providing law enforcement services as various restrictions were put into place without compromising the service expectations of the community. The Department continues to monitor and provide operational and health/personnel protective equipment (PPE) information for its personnel.

The Lake Zurich Fire Department was well positioned to handle the stress placed on it with abundant amounts of PPE and continued to provide the exceptional service residents rely on. In addition, LZFD assisted the Lake County Health Department with thousands of vaccine administrations during the height of the vaccine roll-out at the Lake County Fairgrounds.

Goal #5 – Civic Engagement

- **Special Olympics Illinois Coffee for Champions.** In August, Lake Zurich police participated in the 'Coffee for Champions' event at Dunkin'. This year marks the 18th anniversary of the Dunkin' partnership with the Law Enforcement Torch Run for Special Olympics. This fundraising event was previously known as 'Cop on a Rooftop' and enjoyed years of success and assisted in raising more than \$5.75 million for Special Olympics since it began. The generous Lake Zurich community contributed nearly \$5,000 for Special Olympics in only seven hours!
- **Car Seat Safety Event.** The Lake Zurich Police Department's certified Child Passenger Safety (CPS) technicians inspected **38** child safety seats during a four-hour event held August 2021 at the Target Store on South Rand Road. This successful checkpoint provided an opportunity for caregivers to have their child restraint inspected without an appointment or having to come to the police facility.

- **National Community Survey.** Between August 10, 2021 and September 28, 2021, Lake Zurich completed its 4th National Community Survey in conjunction with statisticians and social scientists at the National Research Center in Boulder, Colorado. This is a statistically valid survey approach that resulted in a 26% response rate (higher than national average) with a 4% margin of error. Results show about 9 in 10 residents give excellent or good ratings to the overall quality of life in Lake Zurich as a place to live and raise children. About 8 in 10 residents give favorable marks to the overall image or reputation of Lake Zurich. About 9 in 10 residents recommend living in Lake Zurich to others.

About 9 in 10 residents gave excellent or good ratings to the overall customer service provided by Lake Zurich employees and about 75% were pleased with the overall quality of services provided by the Village, public information services, and the job Village government does at treating residents with respect. Ratings that increased since 2019 include customer service, the value of services for taxes paid, overall direction, and being honest.

- **Illinois Department of Natural Resources (IDNR) Grant.** In 2021, the Village began implementation on the large \$400,000 IDNR grant that was secured for Paulus Park enhancements, including woodland trails, shoreline restorations, and new park amenities.
- **Promoting Transparent Government.** The Village continued to promote the availability of live broadcasts of Village public meetings and information available through the Village website, Benchmarks, and Facebook. The Village's website served content to over 33,000 visitors in June 2021, setting a new record high. The most viewed pages are beach status updates and special event pages.
- **Meeting People Where They Are.** Engaged discussions with residents in the community continued at various venues, including neighborhood block parties and the ongoing monthly Coffee with the Mayor events at the Koffee Kup.

**VILLAGE OF LAKE ZURICH, ILLINOIS
FISCAL YEAR 2022 BUDGET
DESCRIPTION OF ACCOUNTING FUNDS**

Based on recommendations from the Governmental Accounting Standards Board (GASB), local governments such as the village separate the accounting of revenue sources because of internal or external requirements and restrictions. For instance:

- The village cannot use motor fuel tax revenues to pay for public safety operations (statutory limitations).
- The village is restricted to use revenues from the hotel tax only for promotion of tourism, and not for general government purposes.
- The village may only use revenues from the non-home rule sales tax for maintenance and operations, repair, replacement, or reconstruction of village infrastructure.

Each fund is a self balancing set of accounts used to track the activity of specific revenues or series of revenues. Fund types that involve service delivery include the General Fund, special revenue funds and enterprise funds. These three fund types account for most of the village's service delivery. The General Fund is the largest fund and accounts for most primary services. Special revenue funds account for the proceeds of special revenue sources that are restricted or committed in use. Enterprise funds are used for those activities designed by the Board to operate on a self-funding basis, using accounting methods similar to business enterprises. The intent of an enterprise fund is to earn sufficient profit to insure the fund's continued existence without reliance on general tax revenues. Other fund types used are debt service, capital project and internal service funds. These funds account for transactions not related to service delivery. Instead, they account for financing, construction and inter-department services.

Governmental Funds

General Fund (101) – The main operating fund of the village. All financial resources are included in the General Fund unless required to be accounted for in another fund.

Special Revenue Funds – Governmental funds used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

- Motor Fuel Tax (202) – Monies collected on a per-gallon tax on motor fuel in Illinois and remitted to local governments on a per capita basis. By state law, expenditures in this fund are restricted to certain road maintenance activities.
- Hotel / Motel Tax (203) – Tax monies collected on a per room basis from hotels and motels. By village policy, expenditures in this fund are restricted to promoting tourism.
- Special Events Fund (207) – Accounts for the direct revenues and costs associated with various village sponsored special events, as well as fund transfers to provide additional funding.
- TIF #1 Tax Allocation (210) – Captures all revenues and fund transfers to pay for administrative costs to stimulate and induce redevelopment pursuant to the TIF act.
- TIF #2 Special Revenue (214) - Captures all revenues and fund transfers to pay for administrative costs to stimulate and induce redevelopment pursuant to the TIF act.
- TIF #3 Special Revenue (216) – Captures all revenues and fund transfer to pay for administrative costs to stimulate and induce redevelopment pursuant to the TIF act.

- Dispatch Services Special Revenue (227) – Account for the direct revenues and costs associated with providing emergency dispatch services to Lake Zurich and partner communities.

Debt Service Funds – Funds used to account for the accumulation of resources for the payment of general long-term debt principle and interest.

- Debt Service Fund (301) – Accounts for debt service for general village operations
- TIF Debt Service Fund (310) – Accounts for debt service for TIF-related operations.
