New Business

A. External Special Event Request- Stephen Siller Tunnel to Towers 5K Walk/Run
Summary: Staff is seeking a Park and Recreation Advisory Board recommendation for the Stephen Siller Tunnel to Towers 5K Walk/Run special event proposed to be held at Breezewald Park on Sunday, June 11, 2023 from 9am-12pm. The approximate number of attendees for the event is approximately 600 to utilize the park grounds and Lake Zurich Police proposed route leaving from and returning to the park (requiring no fully street closures nor use of State/County roads). Jeff Carey asked if this was a new or a repeat event for the village. Jenna Stanonik reported that although this is a repeat event they do have a new race director and that Sgt. Gaffney has worked with the organization to come up with a new route due to the construction and temporary new location of the run from Breezewald. Chairperson Kevin Koch asked is this was the same organization as previous years and Jenna Stanonik said yes. Cathy Malloy said yes and Vice-Chair Andrews was the second. Roll call vote, all yes. MOTION CARRIED

B. Parks Program Capital Improvement Project

Summary: Staff is seeking a Park and Recreation Advisory Board recommendation to shift the \$46,000 budgeted capital dollars associated with resurfacing the basketball court amenity at Bristol Trails Park to renovating the flooring at Buffalo Creek building B. The facility flooring will require ADA accessible ramps which allows the department to also utilize the SRA funds to support the project. The court is currently in good condition and the department is proposing to use the capital dollars to further support the dance program with a more suitable and permanent floor. Currently building B has modular grid lock

floor tiles along with multiple rolls of shower pan liner that cover the existing linoleum floor. The Academy of Performing Arts dance program generates \$222,500 and is the department's largest program revenue source serving 822 participants last year. Jenna Stanonik said that we are looking for a recommendation to move forward and Vice-Chair Tim Andrews said that something has to be done to make more money. Trustee Weider said we are shifted the money in order to make this happen. Chairperson Kevin Koch said this makes sense and Jeff Carey agreed. Vice-Chair Tim Andrews requests that if there is a missing basketball net that we do not wait until next year, we should replace it as soon as possible. Shawn Bergfalk said yes and Vice-Chair Andrews was the second. Roll call vote, all yes. MOTION CARRIED

6. Old Business

- A. None

7. Treasurer's Report

Jenna Stanonik reviewed and read the included treasurers report. Dance looks healthy and keeps growing, lunch bunch is back, youth programs are lower due to losing contractors, we lost an art program, camp is full with all residents and athletics had a dip due to canceled winter programs, Vice-Chair Andrews asked is the Chalet floor and deck has been completed, Jenna Stanonik said yes.

8. Advisory Board Member Reports/Update

A. Cathy Malloy/Tim Andrews- Miracle on Main Street

no updates, meeting start in August

B. Shawn Bergfalk-Groove Grove.

Shawn informed that we did a walk through on the new location. The new location is more accommodating. Bands will require a leveled service to play and that the third band gave a verbal commitment. Chairperson Koch asked where we are putting all the people and Shawn said in the grassy/tree area of the parking lot

C. Kevin Koch-Farmers Market. Chairperson Koch shared we are in full swing for this years market. We have new vendors, micro greens, olive oil once a month, freeze dried candy and an eclectic hot food selection from Rolling Smoke, to Persian guy, pizza guy, tacos, South African, and polish. Come out the first Friday in June and join us.

D. Jeff Carey- Rock the Block- Jeff Carey said that there was no update. Elke Kadzielawski stated that all the bands, food vendors, alcohol has been secured. Jeff Carey said that Marty JaLove will be helping again this year.

9. Director's Report

Jenna Stanonik shared Director Caputo notes. As of the week of 2/27, the summer day camp program for grades entering 1st through 4th, Camp Alpine, including post camp has filled to capacity. Camp Cedar, grades entering 5th – 7th) currently have post camp availability only. There are still limited openings for Kamp Kiddie (ages 3-

5) which is currently 85% full and weekly variety camps. The current waitlist is comprised of 75 unique participants. The department is accommodating wait-listed participants as openings arise. As recommended by the PAB, all waitlist participants have received communication (as of 2/16) thanking them for their interest in our program and notifying them that this season we experienced an unprecedented response in the program registration with the majority of camps filling within the first week of registration. Staff candidly informed them that due to maximum facility capacity numbers, the department is not be able to accommodate any additional program participants into the camps this season but that they would be contacted if the department experienced any program cancellations leading up to the start of the program.

All other Spring and Summer program registration is ongoing and proceeding smoothly with the exception of dog obedience and art classes which will no longer be contractual offerings due solely to instructors circumstances. Thank you to Cathy Malloy for making a connection with Clay Monet as we hope to have them onboarded as a contractual partner and set to get kids art offerings back up and running in the Fall.

Chairperson Koch asked what Lifetime is paying for guards. Elke Kadzielawski responded \$18 for lifetime and we are at \$14. Vice-Chair Andrews asked if we hire 50-60 year olds, Jenna Stanonik said yes we do. Cathy Malloy asked is the online registration is being used more since the transition and is it deceasing the staff load. Jenna Stanonik said that people are utilizing it more. Elke Kadzielawski said that we may have a decrease in our workload for entering registration but we do receive many phone calls on how to utilize the program or reset passwords.

- A. **Park Highlights/Updates-** Event Updates- Arbor Day (4/29), Food Truck Socials at Paulus Park June- August, Movies in the Park (6/16 & 7/14), Dick Schick's Annual Fishing Derby (6/18), July 4th, Unplugged Fest (8/6) & AOF Programs (page 9 of the Spring/Summer Brochure)
- B. Park Highlights/Updates- FY23 OSLAD Grant Application status, Paulus Park Bandshell/Electronic Marquee, and Jonquil Playground Reno (contract signed and equipment is on order; to be completed by August)
- C. Facility Highlights/Updates - Chalet deck/floor completed, status of Buffalo Creek Roof in A/B is in full replacement mode.
- D. Program Update- Spring Summer Highlights & Enrollment Updates, Nonmotorized craft dry storage and rentals. Elke Kadzielawski stated that we are seeing a steady stream of permits being issued. There are have been 20 sold in the first 11 days of the season.
- E. Staff Update- FY23 Seasonal Positions Update, Special Events Supervisor & Guest Service Associate position hiring status

F.

- 10. Written Communications- see the flyers attached. Jenna Stanonik reviewed the attached, no comments were made.
- 11. Adjournment

MOTION made by Vice-Chair Andrews, seconded by Sariah Quimby to adjourn the meeting. Voice vote, all in favor. MOTION CARRIED. The meeting was adjourned at 6:59pm.

Departmental Narrative

The first session of camp will be ending on June 30th with the second session of summer day camp to begin the week of July 3rd which is at capacity with over 200+ kids in camp daily. Camp runs through July 28th with a week of post camp through August 4th. The beaches are open daily 12-7pm (weather pending) through August 6th. Breezewald Beach closes for the season on August 6th and Paulus Park Beach will remain open the week of August 7th from 11am-3pm then moving to weekends only thru Labor Day. The sprayground at Paulus Park has been a hit with the community as a free offering open 10am-7pm and the department hopes to continue to offer the hours and amenity daily from 10am-7pm daily thru Labor Day.

Other items the department is continuing to work on includes program logistics for the Fall dance and preschool programs, seasonal performance appraisals, 2023 Fall/2024 Winter brochure and program offerings, and updating the Chalet for expansion of program space.

The 31st Annual Dick Schick Fishing Derby held at Paulus Park this past Sunday brought out over 100 people to enjoy the free event. Over 64 fish were caught with the largest being a 27.5 inch carp caught by 15 year old Kevin Stolarczyk . The department would like to extend a tremendous thank you to John, Mike and Anne Schick and Bob Warren for their continued efforts on keeping this event alive for the community over the past 3 decades.

The Movies in the Park event held on the Paulus Park Stage on Friday, June 16th brought out 150 people to watch Encanto. Thank you to our Movies in the Park sponsors, Lake Zurich Tire & Auto Inc., Martin Enterprises Heating and Air Conditioning and Moore Orthodontics. Our next Movies in the Park event at Paulus Park is set to feature Top Gun Maverick at 8:30pm on Friday, July 14th.

Food Truck Social events began running on Wednesday, June 7th at Paulus Park from 4-7pm featuring 2-3 local food trucks and have seen 200-400 people come out to enjoy per occurrence. The June Groove Grove was unfortunately canceled due to the poor air quality in our area from the Canadian fires but the department is set to run the July 26th event at Paulus from 4-7pm featuring the Downers Groove band and a handful of local artisans.

Just a reminder to come out to enjoy our weekly Farmers Market at Paulus Park featuring over 30 vendors in attendance, adult beverages, rotating pet rescues, musicians, artisans and kids activity booths. The market will be open thru September 8th every Friday (3-7pm). A big thank you goes out to our sponsors, Lake Zurich Tire & Auto Inc., Stephanie Seplowin Coldwell Banker, Raceway Car Wash and Auto Detailing, Total Midwest Construction and Ford Plumbing.

The department is preparing for event, Independence Day celebration July 4th at Henry J. Paulus Park. As in the past, the Village will continue to have local favorite food vendors at the event, BYOB wristbands for sale at the park entry for those interested in bringing in adult beverages, and live bands, GenPop at 4pm and Blackberry Jam at 7:15pm along with a DJ all day. The beaches will be open from 12-7pm (paid entry for Paulus and pass/residents only for Breezewald; sprayground open for free from 10am-7pm at Paulus Park). The firework display is

to be shot at approximately 9:15 pm from the same location on the lake as last year. Staff wishes to thank event sponsors Lake Zurich Tire & Auto Inc., Alpine Runners and LRS.

The department is continuing to work with the Public Works team to complete a variety of projects including the Electronic Marquee Concept, playground replacement construction at Jonquil Park (to be completed by end of July), Buffalo Creek Building B dance floor bid and punch list items associated with the OSLAD Paulus Park grant. The department has signed an agreement with Hitchcock Design Group to create a plan and application for the upcoming Open Space Land Acquisition and Development grant opportunity (thru the IDNR) for continued enhancements at Paulus Park such as continued shoreline restoration as well as the renovation of the 20-year-old spray ground which is nearing the end of its useful life. Further information to be shared as the Village progresses thru the application process.

External events approved to hold their events on Village property for the remainder of 2023 include Unplugged Fest (8/6), Brazilian Festival (8/12), Alpine Races (8/20), My Density Matters (10/15), Bushel of Apples Fest (9/22-9/24) and Jack O Lantern World. Park and Recreation Department received one proposal from the RFP associated with partnering with an organization to produce and manage a triathlon in 2024. The Village has reached out to the organization to inform them that the status of the IDOT project at Miller and Route 12 is unknown and has the potential to conflict with the bike route for next year. The organization is deciding on if they would like to move forward with an application for 2024 knowing the possibility that the bike portion may need to be canceled or wait to submit for 2025. The department hopes to have further information to the Village Board later in the Summer. The department will continue their collaboration with Ancient Oaks Foundation quarterly community events that can be viewed in the brochure. Further details on both Village sponsored, external and internal events can be found in our seasonal program brochure, online or by contacting the department.

Program Cost Recovery Fiscal Y-T-D

Activity Revenue-Year over Year

All programs are exceeding revenue year over year with the exception of youth which is currently down as we had to cancel contracted programs due to loss of dog obedience instructor and aquatics due to the free sprayground, condensed hours, no Wibits and cancelation of swim lessons and many field trips (due to the shorter morning hours). Dance revenue has increased year over year due to an increase in general class enrollment and the Impulse Dance Company program as well as their participation in competitions and conventions in the upcoming year.

Registrations Year over Year

Online registration is available to all residents and non-residents enrolling in programs. Beach membership and facility rentals must be made in person at the Paulus Park Barn. Payments made at the beach are NOT included in these numbers. February registrations reflect the priority resident registration period for camp deposits/payments.
