8. **NEW BUSINESS**

A **Property Tax Levy Extension Ordinance and Four Abatement Ordinances Regarding Debt Services**

Summary: Each year, the Village Board approves a tax levy ordinance to certify with the Lake County Clerk's Office in order to extend property taxes on real estate parcels within Lake Zurich municipal boundaries. The 2024 levy request is based upon the estimated equalized assessed value (EAV) of those properties, as determined by the Ela Township Assessor's Office and the Chief County Assessor's Office. The 2024 levy request is collected in fiscal year 2025.

Applying the rates authorized by the Property Tax Extension Limitation Law (PTELL), the Village is requesting a total levy of \$11,453,097 which represents an increase of 5.10% over the previous year. The tax levy request for 2024

includes \$1,389,406 for debt service and \$5,518,200 for the Police and Fire Pension Funds. The proposed levy also includes \$400,000 for the Special Recreational Area, which provides funding for accessible improvements and services.

Four ordinances totaling \$2,146,408 regarding debt service abatements are also presented for Village Board action. As sufficient funds are available from other revenue sources to pay scheduled debt service payments as they become due, the need to extend a property tax levy on these issues is not warranted. Therefore, the Village will notify the County Clerk to not extend property taxes on these abatement ordinances.

Finance Dir. Amy Sparkowski explained the process of Agenda Item #8A. There was discussion by the Board about tax levy extension and the Ordinances. Staff answered their questions.

B. Discussion on Lake Zurich Waste Hauling Contract

Summary: Prairieland Disposal began service to Lake Zurich residents in September 2020. Lakeshore Recycling Systems (LRS), based out of Morton Grove, took over service in October 2021 after acquisition of Prairieland. The current Village franchise agreement for waste hauling services with LRS expires August 31, 2025.

LRS provides weekly refuse and recycling collection, which includes one bulk item per week. Also included in the monthly cost is yard waste collection with a 15-bag weekly limit, with no stickers required for yard waste collection. LRS also provides curbside leaf vacuuming for 8-weeks each autumn included in the monthly price, as well as an annual curbside collection event for electronics waste and two weeks of Christmas tree collection.

LRS proposes an 8% price increase in Year 1 to the current rates effective September 1, 2025 and a fixed 4% price increase each of the following 4 years. An 8% increase in Year 1 would result in most residents seeing an increase of \$2.16 per month. Senior citizens would see an increase of \$1.94 per month.

An alternative proposal without leaf vacuuming is currently being calculated by LRS and can be discussed as an option.

Autumn 2024 is the time to decide if Lake Zurich wants to explore switching garbage companies again or proceed with a contract extension with LRS. This item is brought to the Village Board tonight for discussion and consideration, with no Village Board action requested at this point. LRS representatives will be at the meeting to discuss the companies' recent growth, plans for future improvements, and its proposed contract extension with Lake Zurich

Management Services Dir. Kyle Kordell introduced Steve Ramos, Municipal Manager for LRS. Mr. Ramos gave background information on their buy out of Prairieland Refuse and the transition to LRS, the current contract and the possible contract in August 31, 2025. The Board's questions were answered by Mr. Ramos and staff. Dir. Kordell had prepared a handout of the various Lake County communities and the services they are receiving currently, for comparisons. Topics were yard waste, leaf vacuuming, recycling, environmental issues. Mr. Ramos was asked to return with more information, a tour of their recycling plant was offered by Mr. Ramos.

Recommended Action: No Village Board action requested at this point. This item is for discussion purposes only.
