

VILLAGE OF LAKE ZURICH
Tree Commission Minutes
April 21, 2009

Approved

- A. Roll Call:** Present Shawn Walkington Chairperson, Commissioner Froehde and Commissioner Garrison, Commissioners Kozub and Commissioner Harper
- B. Approval of Minutes:** Minutes from the March were approved.
- C. Rt. 22 Bypass Landscape Review-** Commission members liked the trees on the planting list, but would like to see more diversity on where the trees are planted. Plan shows too many trees of the same species planted next to each other. The Commission would also recommend that know large specie trees be planted under power lines. We would also like too know the DBH of shade trees that are being planted. Also there are several trees that were planted last year that did not survive. We would like to see those trees replaced.
- D. Master Plan-** Discussion on a Master plan was tabled till next meeting.
- E. Arbor Day-** Tree Commission will plant a tree at Isaac Fox School on the 22nd. The planting at Paulus will be on Saturday at 11 am.
- F. New Business-** Zoning of Natural Open Space was discussed. Commission would like to see Oak Ridge Marsh, Whispering Creek, Deerpath Rd. between Foxfire and Waterford, on the East end of Waterford Dr. the area to the north and Kuechmann Park.

The Commission reviewed a letter between Village of Lake Zurich board and Ela Township Board that provided for the remainder of trees to be planted from the Ela Township development. Commission approved the letter.
