WELCOME TO CAMP ALPINE

We are pleased to announce that our Day Camp program is accredited through the American Camp Association. ACA national accreditation is awarded to programs that achieve the highest standards in regards to the safety and well-being of all campers. This accreditation means that our camp has met and excelled in over 300 health, quality and safety standards. The safety and well-being of our campers is of the utmost importance to us, and this accreditation is just one more way of ensuring that we are running the highest quality camp experience possible.

Thank you for choosing the Village of Lake Zurich Park & Recreation for your child's Summer experience! You've given your child a wonderful gift – the opportunity to experience the natural world, learn new skills, make meaningful new friendships and rediscover themselves outside the pressures of the modern world. We're looking forward to a safe and fun Summer that instills confidence in your child and creates wonderful memories. All programs at the Village of Lake Zurich are designed to promote positive values. Specifically, the Park & Recreation Department focuses on four values: caring, honesty, respect and responsibility. Our staff is hired based on their commitment to accept and demonstrate these positive values in their own lives.

STAFF

The key ingredient to a positive and fun camping experience is our professionally trained and enthusiastic staff. Our staff undergo over 30+ hours of training including (but not limited to) Community CPR/AED/1st Aid, Child Abuse Prevention, Emergency Procedures, Behavior Management, Discipline Policy, Inclusion Training, Program Curriculum, Lesson Planning, Beach Safety, Field Trip Procedures, and Parent Communication.

A majority of our staff are college aged students and education professionals who are passionate about making a positive impact in the lives of every camper who enters our parks. We look for individuals who have had previous experience working with children, and who also are focusing on a concentration in college that pertains to children, childcare, recreation or other relevant majors. Kamp Kiddie is supervised by a 1:6 ratio of counselors to campers, Camp Alpine with a 1:8 ratio for the younger elementary grades, a 1:10 ratio for the upper elementary and Camp Cedar follows a 1:10 ratio.

In addition to a Day Camp Director who oversees all of our camps, there is a Head Counselor and up to two Assistant Head Counselors for Camp Alpine helping with the day to day operations.

INCLUSION REQUEST

We work closely with the Special Recreation Association of Central Lake County {SRACLC} If you feel an ADA accommodation is needed to support an individual within any of the Village of Lake Zurich programs, please check the ADA box accordingly when filling out the registration page. An accommodation can be made for any individual based on their IEP goals and/or diagnosis. Some of the supports available can be, but are not limited to the following: A one-on-one aide, a sign language interpreter, rule modifications or supply adaptation. If you are unsure as to whether or not your child would qualify from assistance with SRACLC, please feel free to reach out to Recreation Supervisor Jenna Stanonik, at 847.719.2462, and you can talk through your concerns. Once paperwork is received with the marked box and parental signatures, Jenna will contact SRACLC as soon as possible to make the proper accommodations. SRA will then directly reach out to the requester for further information.

MEDICAL INFORMATION

Some participants may need to be given medication during camp. In order for the Village of Lake Zurich to be able to dispense medication, these guidelines must be followed:

1. Parent/guardian must sign the Permission to Dispense Medication, Waiver and Release of all Claims forms specifying:
 - a. Type of medication
 - b. Time medication should be administered
 - c. Specific instructions
2. Only prescription medications in original containers with the doctor's name and the dosage on the label will be accepted. Your local pharmacy will supply you with an extra container if needed.
3. Send only the exact dosage (plus two extra) that your camper will need during their session.
4. A log will be kept of the medication as it is dispensed. The Village of Lake Zurich staff will secure all medicine.

All medication must be picked up in person upon your child's last day of camp. Medication that has not been picked up will be properly disposed of two weeks after the camp season ends.

FEES & PAYMENTS

All participants in our camps may pay either a \$50 deposit or the full amount per session per child at the time of registration to reserve your child's spot in Summer camp. (The \$50 deposit is applied to your camp fee.) The \$50 deposit is non-refundable.

All camp fees must be paid in full two weeks prior to each camp session. The Village of Lake Zurich Park & Recreation Department will only accept partial payments up until that time.

A \$25 late fee per child will be charged for payments not received by final due dates.

PAPERWORK

We are continuing to utilize an online platform for paperwork, CampDoc. All registration forms will be done online prior to the camp season beginning. Once you register with us online or in person, you will receive all documents through CampDoc to be filled out. These will be kept confidentially online with only the Recreation Supervisor and Camp Director having access. All required forms will be completed online. The forms will be sent through CampDoc once you have registered for camp. We will not be accepting paper forms. Forms can be viewed from the Village of Lake Zurich website at lakezurich.org. Your camper will not be allowed to begin camp without all of the forms completely filled out online.

If you have been with us in prior Summers, all of your information is saved online. We just ask that you review and make any updates/adjustments as needed.

REFUNDS

Refunds will only be given due to illness, or if your child has been injured. A refund will be given upon proof in the form of a doctor's note.

ARRIVAL AND DEPARTURE PROCEDURES

Sign In

1. Parent/Guardian signs the participant in on the grade specific sign in sheet.
2. Once signed in, the camper will walk downstairs to the main program area. All parents/guardians are not allowed in the program space unless otherwise approved by the Recreation Supervisor or Camp Director.

If you are going to be later than 9:15am, you MUST call the main office ahead of time so that a camp staff member is aware of the late arrival. You cannot drop your camper off without a camp staff member acknowledging the camper has been added to their count for the group. Depending on the time of drop off, the parent/guardian may be asked to walk the camper to meet the group where they are within the park.

Sign Out

For 3:00pm pick up, the earliest you are able to begin to show up for pick up is 2:45pm. There will not be staff at the front desk area of the Paulus Park Barn prior to that time. We will not be having participants leave their program areas until 3:00pm. If you need to pick up early for any reason, you **MUST** make prior arrangements with Camp Leadership staff.

1. Sign your participant out on the sign in/out sheet and show your ID.
2. At 3:00pm, all participants who are registered for the 9:00am-3:00pm offering will be walked out to the main area for pick up.
3. One at a time, the participants will walk over to their parent/guardian. The staff who checked the ID will verify each child goes to the correct parent/guardian.
4. If your child is signed up for the after care portion of camp, once you sign them out, the staff member will walkie for the child to be escorted to the front lobby of the program area for the Paulus Park Barn.
5. They will then be released to the approved parent/guardian.

PICK-UP/DROP-OFF INFORMATION

Before care does not begin until 7 a.m. Please do not arrive before that time. Parents who consistently arrive before that time may be charged an additional fee.

Any parent who arrives after 3:00 or 6:00 p.m. (depending on when your child's camp day ends) to pick up their child will be charged a \$5 late fee for every 10 minutes (or portion thereof) that they are late. In the event that a child is not picked up by 3:15 p.m. or 6:15 p.m., the emergency phone numbers will be called and the designated individual will be asked to pick up the child. If staff is unable to reach someone by 6:30 p.m. the police will be contacted and the child will be taken into custody. Frequent or recurring late pick-ups may result in suspension or termination from program.

In the event that your child needs to be picked up early from camp, staff must be notified a minimum of three hours prior to your desired pick-up time in order to have your child ready. Campers who will be dropped off late must let camp staff know one day prior, otherwise parents will escort their child to the camp activities.

Most activities on rainy days take place inside. On days that we have extremely hot weather, campers will be indoors or remain in sheltered and shaded areas. Please remember to dress your child according to the weather.

Your child will have the opportunity to watch movies during day camp on rainy days. The Village of Lake Zurich requires permission for your child to watch movies of different ratings. Please check the appropriate box on the Participant Emergency Information Packet.

BIRTHDAY TREATS

Due to severe allergies and food restrictions we do not allow edible birthday treats to be brought to camp. If campers would like to bring something to celebrate their birthday, we would love to help them celebrate, but it must be non-edible- such as stickers, bubbles, chalk etc.. Any item that is brought will be put into the campers backpack to be brought home.

LOST AND FOUND

Lost and found items accumulate very quickly. Please label your child's belongings. Socks and underwear are immediately discarded; everything else will be placed in the lost and found section and donated after camp ends. The Village of Lake Zurich is not responsible for any lost or stolen items.

SUNSCREEN POLICY

Due to allergies, Camp Alpine and Camp Cedar cannot provide any type of sunscreen for any camper. Please be aware of the following:

- Apply sunscreen to your camper prior to camp every day including cloudy and overcast days.
- Send labeled (child's name) spray sunscreen with your camper each day.
- Sunscreen is applied a minimum of two times within regular camp hours.
- Assistance with sunscreen will be provided if necessary, however, all parents must sign the sunscreen authorization found in the Participant Emergency Information Packet.

If campers do not have sunscreen, parents will be contacted to send along with camper for the following day. Camp Alpine does not have the resources to provide campers without sunscreen with sunscreen every day.

SWIMMING

We will not swim the first two days of each new session of camp. These days will be set aside for learning about water

safety, swimming policies and procedures, meeting with the lifeguards and beach managers and ensuring all campers are familiar with the beach area.

In the event that we have heavy rain, our campers will not swim the following day in an abundance of caution with water levels.

Campers will go to the beach every day, weather pending. All campers in Camp Alpine will have a swim test administered by the lifeguard staff to evaluate their swimming ability. This is to help assist our counselors knowing who is more comfortable and confident in the water.

For convenience and added swim time, please send your child to camp in his/her swimsuit each day under his/her regular clothes. This cuts down on changing times tremendously.

Lifeguards will be on duty at all times while our campers swim. All campers are expected to follow the rules and listen to both the lifeguards, as well as camp counselors when in the water. Lifeguards and camp counselors reserve the right to pull any camper out of the water at any time if they feel they are not following proper safety protocols.

FIELD TRIPS

Camp Alpine does not go on offsite field trips. We will have guest speakers and a variety of special on-site activities.

NEWSLETTERS

Additional information will be provided in our weekly newsletter which will be emailed to parents before the start of each week, as well as handed out during sign-out.

SUSPECTED ABUSE OR NEGLECT

In accordance with the procedures set forth on the Abused and Neglected Child Reporting Act, any camp personnel having reasonable cause to believe that a child known to them in their professional capacity may be an abused or neglected child, shall immediately report the matter to their supervisor. The proper authorities will be notified.

ILLNESS AND INJURY

All staff is certified in CPR/AED and First Aid. In the event of an emergency or illness, camp staff will notify parents/guardians. No refunds will be given for missed time due to an illness unless a doctor's note is provided. Please keep sick campers at home so germs and illnesses do not spread to any other campers or staff. Parents will be notified if their camper has not been feeling well for a period of time. The Village of Lake Zurich is not licensed to provide care for sick children. Therefore, parents or emergency contacts must come as soon as possible, preferably within one hour after being contacted by the staff. Any child absent from the program due to a serious or contagious illness must notify the Village of Lake Zurich and have a doctor's note to return. Moderate injuries will be communicated to parents once proper first aid procedures have been followed. If the illness or injury occurs late in the day and is moderate, you may be notified at the end of the day. In cases of severe injuries, parent/guardian will be contacted immediately.

CAMP HANDBOOK

Campers must stay out of camp at least 24 hours after vomiting or fever. If they are sent home due to vomiting or fever, they cannot return the next day. This is for the health and safety of your camper as well as the other campers in our programs.

SUMMER ATHLETIC CAMPS

Campers and parents have the ability to register for weekly sports related variety camps during the day. Summer Athletic Camps include but are not limited to archery, dodgeball, capture the flag, classic outdoor games, triathlon training, sand volleyball etc... Camp counselors will escort the campers to and from the Summer Athletic Camps. If a Summer Athletic Camp begins or ends outside of the camp day, it is the parent/guardian's responsibility to pick up or drop off their child. The parent/guardian must notify Day Camp Leadership if they register their camper for a Summer Athletic Camp.

CAMP SWIM LESSONS

Camp swim lessons are exclusive for camp children only. Each camp swim lesson runs in two week sessions, Monday through Thursday at the Paulus Park Beach. Lessons begin at 9:00 a.m. Camp Counselors will escort campers from the Paulus Park Barn to the beach promptly at 8:45 a.m. Parents who arrive after this time will be responsible for escorting their children to the swim lessons. Camp swim lessons are a completely separate registration from day camp. If you would like your child to participate in swim lessons, you can either register online or at the Paulus Park Barn.

WIBITS

The new wibit system will be for campers in grades 3-7th due to age restrictions with the products. They are only able to utilize the wibits after they have successfully passed a deep water swim test. A life jacket must be worn at all times while the camper is on the wibit system. The wibits will only be utilized when there are lifeguards present and weather permitting. Times of usage may vary throughout the week. All rules and regulations of the wibits must be followed at all times. The lifeguards have the right to ask any camper who is not conducting themselves in a safe and positive manner to remove themselves from the wibit system. It is up to the discretion of the camp counselors if any camper is able to utilize the wibit system based off of behaviors exhibited throughout the day.
