## Plant Based Eating: Tips & Tricks to Get Started - VIRTUAL

**AGES:** 18+

Are you embarking on a plant-based lifestyle for the first time? Maybe you have been thinking about looking into it after hearing so much about it. If so, you are probably wondering if salads are really the only thing you can eat! Never fear, there is so much more you can do with plants than just make salads. I've been doing this lifestyle since 2015 and while I know I have more to learn I've got some great tips, tricks and resources to share.

For instance, did you know there is non-dairy cheese alternatives? Yes! And they taste good. Don't get me wrong though, a plant-based lifestyle is not about swapping out one set of processed food items for another. Some of these things are considered plant-based junk food! You want to keep those to a minimum and stick to keeping half of your plate or snack vegetables or fruit. But I know it can be lifesaving to have some easy things to eat on the run and some replacements for your old favorites. Because if you are feeling deprived and bored with plant-based eating you will not stick to it.

Join Karla Mans Giroux, Holistic Health Coach for a 90 minute class on how to get started, what swaps to make, what you can eat when on the go and how to keep plant-based eating interesting & sustainable.

## Park Watch

**Park Watch** Throughout the year, vandalism becomes quite an issue in our parks. Graffiti and destruction of village park property costs everyone.

While walking our trails, driving by or using our parks, we strongly encourage anyone that witnesses an act of vandalism being committed to call the Lake Zurich Police Department non-emergency number at **847-438-2349** immediately and report it.

If you notice vandalism already committed or park equipment in need of repair, please feel free to call us at **847-438-5146** and let us know. We want our parks to be clean, safe, and appealing. Thank you for your cooperation and support.

## No Pets in Park

Just a reminder, our parks are designed for people, but not their pets. For the safety, convenience, and enjoyment of all, NO PETS are allowed in neighborhood parks. This is for all park playgrounds, fields, courts, pathways, parking lots, and open space areas.
