#	RESPONSES	DATE
1	Times for parents who work. I am early childhood teacher and would like my son to participate in the 2s program but the times don't work. A 4-5 time slot or a Saturday would be nice	2/28/2021 10:06 PM
2	Anything that is focussed on developmentally appropriate experiences for early Learners and reaches parents the same from an informed, pedagogical approach. Current programs are "cute" from an adult lens but leave no space for self guided exploration and the incorporation of evidence based practices. It seems the village's traditional early learning programs are outdated and do not reflect recent early childhood research Of the past decade that supports human development in the earliest years but rather replicates what has "always been done" in this space since the 80's. Your experienced staff are well intentioned and caring people, however they lack ongoing professional development, adequate space, compensation and resources.	2/28/2021 7:39 AM
3	Why duplicate private/preschool offerings already in the area and compete with them?	2/28/2021 2:35 AM
4	Almost two preschool class	2/27/2021 10:57 PM
5	Be mindful of times offered - I noticed lots of your programs in your summer catalogue has so much great stuff but parent/child classes don't work for single parents, or parents with multiple kids (siblings who can't participate). I was hoping to put my 5 yo in Safety Town but the first session is 9:15-11:15, which is during preschool hours. sadly several residents will not be able to participate in.	2/27/2021 8:40 PM
6	Mom and tot exercise classes	2/27/2021 8:00 PM
7	So many were during the day after many women had returned to work	2/27/2021 7:57 PM
8	Outdoor/nature	2/27/2021 7:44 PM
9	Gardening/planting class	2/27/2021 1:35 PM
10	A STEM Explorers type class for littles, outdoor/nature for kids & parents	2/27/2021 1:35 PM
11	Swimming "class" for 12-18 mo in the lake Art classes for 18 mo or up	2/27/2021 1:02 PM

12	Cancel everything and save the tax payers money by a program that doesn't work and wastes money	2/27/2021 12:51 PM
13	The village needs larger facilities!	2/27/2021 12:37 PM
14	Daycare services provided by the city	2/27/2021 12:25 PM
15	We have loved Music masters and Yellow Brick road. We hope to return to in person classes as the covid situation becomes better. Thanks for offering great things.	2/27/2021 12:17 PM
16	Karate/Tai Kwon Do, Gymnastics, Art, Swimming	2/27/2021 8:06 AM
17	I would appreciate clean classroom for young children events. With my older child messy floor was pushing us away from Music Master class.	2/18/2021 6:54 PM
18	ANYTHING for babies! Music, movement, etc!	2/18/2021 3:48 PM
19	More outdoor, nature-type classes	2/18/2021 12:58 PM
20	What about a neighborhood fruit and vegetable garden in the summer? Swimming lessons? Obstacle courses at the local parks? More virtual options for the younger kinds. Learn about local animals in our actual neighborhood so they can associate the environment with the animal? Host a local pediatrician to discuss specific age appropriate topics virtually? I know some! Donate your lightly used 0-36 month toys/clothes/equipment for those in need? Art project that kids can submit their piece and it's part of a bigger project put together and put in the community? Snow man/woman contest? House decorating contest for the 4th (or any holiday)? I have a 8 month old and twin 4 year olds. Since they aren't 5 there isn't much offered for them. It's been really rough with COVID and winter!	2/18/2021 11:16 AM
