

# Year-Round Clothing & Textile Collection Program

VILLAGE OF  
LAKE ZURICH  
ILLINOIS

## New, Gently Used & Worn Items

### Clothing & Textiles—All Fabrics/all sizes

*Today, 85% of all clothing and textiles end up in U.S. landfills.*

*The fastest growing waste in the U.S. waste stream today!*

*New & gently worn will be reused; worn/torn/stained will be recycled.*

This program diverts materials from landfills, supports environmental and other community programs.
