108	New Colony Six or not a carnival band we can see over the summer. Maybe attract 30/40 age people not only old white couples. The last couple of years band line up has been about the same. Sorry but not sorry. You all need some new brains to get new music involved. Family fun. Needs more dancing less rock. more DJs, attracted a better crowd than old drunks. People who know how to rock a crowd. Get with the years. Not what old aged 50-60-70 white males want . Just saying g white male	9/13/2022 10:15 PM

## Q6 Do you have any suggestions for improving Rock the Block?

Answered: 144   Skipped: 24

#	RESPONSES	DATE
1	Do not allow camp chairs in the band stage area!! Most people do not sit in them and they just take up space and make moving through the crowd extremely difficult and dangerous. There should be a dedicated "seating area" that is off to the side rather than directly in front of the stage. There is a large presence of MS/HS age kids. Maybe a designated area for them to hang out with seating separate from the "bar" area?	9/20/2022 10:11 PM
2	A few more picnic tables scattered in Lions Park for people who need to be out of the crowd.	9/20/2022 8:31 PM
3	Different octoberfest beer selection—Leinie's	9/20/2022 8:11 PM
4	1. Need more food options - would like more to be from LZ, too, 2. Bring back canned food drive for St Vincent Food Pantry 3. Ridiculous that Girl Scouts were raising money for their own troop — they should have donated time to raise funds for something that helps community (yes, I was a Girl Scout) 3. Allow more local organizations to be a part of event, 4) have more non alcoholic beverage options for sale, 5. Include an ice cream or snow cone vendor	9/20/2022 5:46 PM
5	Need a larger venue or steer some of the crowd into the lions park.	9/19/2022 10:21 PM
6	It was way too crowded. You need double the space, most people can't even see the bands. I would suggest putting the stage at the intersection of Lions/Main facing Main. Or back it up so it's sitting on the West side of Main St, block off Old Rand Rd and Main for that day. Starting in the afternoon so more families could attend would be awesome! And to create more room, maybe move all food trucks to the Lions park instead of on the street as the street way way to busy and all food lines were extremely long. It's great to see such a good turnout, just need more space/food vendors.	9/19/2022 8:30 AM
7	It seems there needs to be more space to spread out. It was incredibly crowded. Also, might want to consider food trucks being further from stage so all trucks can be accessible. Maybe consider locating stage to the baseball field and the food trucks/wine/beer tent on the street.	9/18/2022 6:35 PM
8	It was extremely crowded. Maybe spread the event out more. Maybe more seating on Main Street. Food trucks could have been more spread out to avoid congestion in that area. Great event as always!	9/18/2022 6:57 AM
9	Have paid shuttles at neighborhood parks.	9/17/2022 6:36 PM
10	Make it more kid/family friendly.	9/17/2022 2:49 PM
11	It was so packed with people that you could not get food is there a way we can extend a bit or move into the side streets with vendors for food? I love the small town field but it was jampacked and it took 45 minutes to get food	9/17/2022 12:56 AM
12	No more 7th Heaven!! So repetitive and cliché	9/16/2022 10:03 PM
13	No	9/16/2022 3:16 PM
14	Need bigger place.....street was super crowded	9/15/2022 9:56 PM
15	Area around the stage gets fairly crowded and difficult to access or move through	9/15/2022 8:42 PM
16	Maybe making it a 2 day event. One night on a Friday then the next night on a Saturday night to finish the festivities	9/15/2022 8:28 PM
17	Turn off the lights at the bases of the trees near the stage. Way too bright on the eyes	9/15/2022 8:21 PM
18	Please please have aluminum can recycling bins . So many cans that could be recycled	9/15/2022 8:08 PM
19	No	9/15/2022 6:47 PM
20	Make the street closer larger and add more food vendors. Wait for food was long.	9/15/2022 6:22 PM

22	none	9/15/2022 4:35 PM
23	Just keep up the great work!	9/15/2022 9:27 AM
24	Spread it out more. It was very tight walking around	9/15/2022 9:15 AM
25	Maybe Beer closer to the playground for those that can not leave the playground or runners?	9/15/2022 8:46 AM
26	I was EXTREMELY dissapointed that attendees DID NOT adhere to requets not to bring chairs. Especially those that placed them right in front of the stage.	9/15/2022 7:10 AM
27	Move the food trucks away from the front. Maybe some could be in parking lot	9/15/2022 7:04 AM
28	No	9/15/2022 6:53 AM
29	Too small. Need to add one more block	9/15/2022 6:49 AM
30	No	9/15/2022 6:11 AM
31	no	9/15/2022 5:46 AM
32	Rock the Block is getting so popular, would it be possible to expand? It gets very crowded now and that could be a safety issue. Maybe have the band playing where the wine tent usually is, then having the vendors and such going down main towards where the band usually is and also down Lions. Kind of like Rock the Corner Block. Or expand down towards the promanade... Band could set up where the old JJ Twigs was, then people could watch/listen from their boats on the lake.	9/15/2022 5:07 AM
33	No	9/15/2022 12:35 AM
34	More overhead lighting	9/14/2022 10:09 PM
35	Larger space would be better super crowded	9/14/2022 9:59 PM
36	More family activities	9/14/2022 9:54 PM
37	Open up the band area some more. Move the food trucks to accommodate that. The outhouses were disgusting. There was throw-up all over many of them. I had to open several doors to find a halfway decent one. Not sure how you can prevent that.	9/14/2022 9:46 PM
38	Perhaps bands that play different geres and not just cover songs. The first band , oh yes, was excellent. The other two bands basically played the same playlists as each other and not very well. It would be better to hear some different music	9/14/2022 9:30 PM
39	There isn't enough room on Main Street for people to walk through. Between the tables and the lines for food, it was difficult to get through.	9/14/2022 9:27 PM
40	It's too crowded for the size area it is held in. Takes too long to get food.	9/14/2022 9:15 PM
41	More food vendors lines got long.	9/14/2022 8:59 PM
42	More music variety	9/14/2022 8:52 PM
43	Video screens with sound of the stage to be placed in the back. Maybe not at full volume but we cud not hear the band and it was much too crowded up front and almost too loud. More tables in the street. More canned beverage options for adult beverages. More garbage cans placed leaving the area... the garbage people threw on the ground while walking to their cars was awful and a sad scene.	9/14/2022 8:50 PM
44	Move the stage for more room. Maybe on the ball field or grassy area? More beverage choices	9/14/2022 8:49 PM
45	No	9/14/2022 8:21 PM
46	I feel it was a bit to tight this year - need a little bit more space.	9/14/2022 8:18 PM
47	no	9/14/2022 8:16 PM
48	Spread out the food trucks a little more, maybe into the Lions parking lot, so Main St isn't so crowded to navigate.	9/14/2022 8:08 PM
49	More spread out if possible. Gets very congested in the later hours.	9/14/2022 8:06 PM

## Rock the Block 2022 - Attendee

50	There's not enough space. Walking through the crowds was not fun, especially when you have kids with you. When the bands were playing, the crowd was so bad there was no easy path to get through. Maybe the food trucks could be spread out more? Use up the entire intersection at main and old Rand? Or use the area across from the promenade as a stage? Food trucks can line up down the street?	9/14/2022 7:57 PM
51	I think it may be time to expand into the next block for more space. Would also be nice to have an area for teens- they were running all over outside the event area and creating a lot of dangerous driving conditions.	9/14/2022 7:55 PM
52	No	9/14/2022 7:47 PM
53	More organized food lines	9/14/2022 7:42 PM
54	Food trucks need more staff inside to make long lines move quicker.	9/14/2022 7:41 PM
55	Moving the food trucks further east away from the bands as the food truck generators were competing with the music and this would allow more people to be near the stage area.	9/14/2022 7:41 PM
56	Perhaps have a band for the teens earlier in the day	9/14/2022 7:34 PM
57	Use more of the downtown space so you can get closer to the bands and have easier access to the beer area. Feels like food trucks are jammed in and people in line block the view of others watching the band	9/14/2022 7:28 PM
58	2 wine tents	9/14/2022 7:24 PM
59	It will need to expand. It was super tight.	9/14/2022 7:22 PM
60	More space!	9/14/2022 7:14 PM
61	None	9/14/2022 7:13 PM
62	More high top tables	9/14/2022 7:12 PM
63	Shorter food lines.	9/14/2022 7:10 PM
64	Some areas seemed a little cramped with food trucks and tables in the middle.	9/14/2022 7:04 PM
65	Start it at 3pm	9/14/2022 6:56 PM
66	More seating areas.	9/14/2022 6:22 PM
67	Keep the tables further away from the drink tent. There are so many people right in front that it's almost impossible to get through without spilling a somewhat expensive drink.	9/14/2022 4:21 PM
68	A designated stop to drop off and pick up.	9/14/2022 2:44 PM
69	More music variety/genre of bands	9/14/2022 2:18 PM
70	no	9/14/2022 2:15 PM
71	Better bands	9/14/2022 2:07 PM
72	Food truck selection was good this year (I believe more than in years past). In the past, there were multiple locations for adult beverages, which I think could help reduce congestion in that area.	9/14/2022 1:46 PM
73	Move the pub tables that were on the road between the food truck somewhere else, it was very crowded and hard to decipher where the food truck lines started and ended	9/14/2022 1:46 PM
74	Seems like Village employees worked on the preparation for weeks	9/14/2022 1:38 PM
75	more activities for teenagers and kids	9/14/2022 1:33 PM
76	No kids on bicycles, the street and sidewalks would be safer without them.	9/14/2022 1:25 PM
77	Video, somehow, to the back of the street	9/14/2022 1:17 PM
78	no	9/14/2022 1:05 PM
79	Tell Vault 223 not threaten to tow car. They are new and be more according with town events	9/14/2022 12:58 PM
80	No	9/14/2022 12:57 PM

## Rock the Block 2022 - Attendee

81	Define lines for food trucks and more pub style tables on Main Street	9/14/2022 12:51 PM
82	Expand the area too compact now with everyone moving to the suburbs	9/14/2022 12:47 PM
83	Spread it out a little bit more to ease crowding?	9/14/2022 12:47 PM
84	More space between food trucks too many strollers taking up room in line. Signs saying not to put children on Bistro tables like high chairs. Publicize better no pets as they were in food prep areas and people's food if sitting down.	9/14/2022 12:44 PM
85	none	9/14/2022 12:43 PM
86	Make it feel more local	9/14/2022 12:41 PM
87	More toilets, move music stage only to Lions park?	9/14/2022 12:27 PM
88	Perhaps move the vendors back further to relieve more seating and standing room near the band. Once people get food, the trucks closest to the stage are just taking up space. Also consider hosting the main stage at the church street intersection since it is uphill and provides more seating and viewing opportunities. Perhaps setup kids events in the lions baseball park for more space	9/14/2022 12:24 PM
89	Make it bigger. It was way too crowded. Uncomfortably crowded.	9/14/2022 12:10 PM
90	Request that all parking areas (i.e. Ace, library) turn their lights on for the night.	9/14/2022 12:09 PM
91	No	9/14/2022 12:06 PM
92	bigger location, got very crowded	9/14/2022 12:04 PM
93	Too crowded. Needs to be more spread out.	9/14/2022 12:01 PM
94	Very congested on Maind, to many vendors near by. difficult to get to the drink area from music. DO NOT ALLOW CHAIRS ON THE STREET. THEY CAUSE BLOCKAGE AND TRAFFIC ISSUES	9/14/2022 12:00 PM
95	The food trucks are not prepared for the volume. the lines are not managed well. Try putting all food trucks on one side, and the non-food tents at the far east end or in the Lions Park area for better crowd management.	9/14/2022 11:58 AM
96	Better bands younger musicians choices. Maybe have someone from schools come out and perform.	9/14/2022 11:55 AM
97	Food vendors are definitely improving. Would like to see even more in 2023 and beyond. Also, perhaps more general seating -- picnic tables, chairs, etc. Also, perhaps consider banning bikes at event. Lots of kids riding through on bikes. Had to use a lot of caution when walking around.	9/14/2022 11:54 AM
98	none	9/14/2022 11:53 AM
99	More food trucks/food vendors, the lines were crazy long and we ended up leaving the fest to eat. Perhaps expand the street and make the fest longer, it was too packed to even walk around in certain areas. Also, move the stage to the intersection so that more people can be closer and this would give people room to spread out to each side of the stage rather than just right in front.	9/14/2022 11:52 AM
100	Have to increase signage and awareness about how drink tickets and beverages work and where they are sold. I was working the water tent for the girl scouts and we literally had about 150 people come up to us asking where to buy tickets and what they needed tickets for	9/14/2022 11:52 AM
101	Need to move the stage to provide wider viewing angles. Currently it's like watching a band in a hallway	9/14/2022 11:47 AM
102	The space needs to be larger. At one point it was impossible to walk through the crowd. Also, standing in line to buy drink tickets then standing in another line to get the drinks is silly and doesn't seem logical.	9/14/2022 11:44 AM
103	Don't allow people to place their chairs in the main walkways in front of the food trucks. It was very crowded and not safe especially for people to navigate with strollers. Perhaps consider certain allowable areas.	9/14/2022 11:43 AM

## Rock the Block 2022 - Attendee

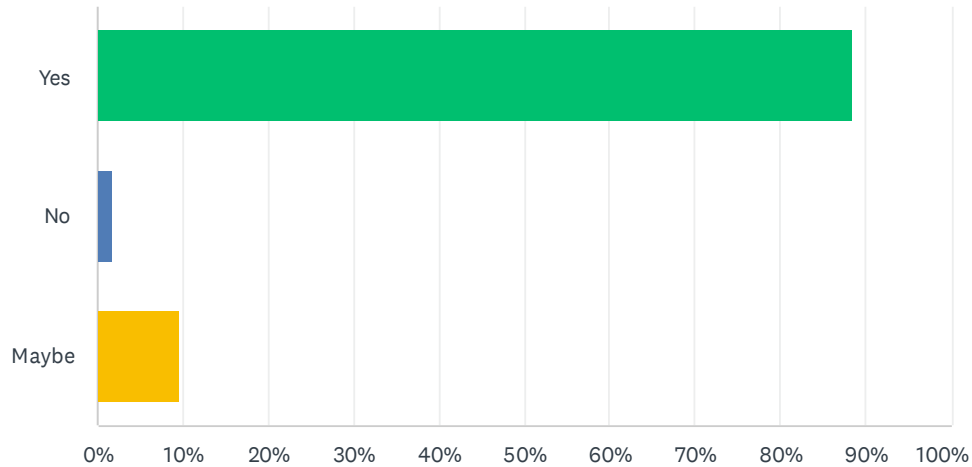

104	It was packed. When I got there around 8:30 there were not many open places to stand. Additionally the setup of food trucks on the main road where you might want to stand to see the band or walk made it really cramped. Can we get a bigger space next year? OR setup the food trucks in an adjacent parking lot? there just needs to be more walking space.	9/14/2022 11:41 AM
105	Band area is very tight, would be nice to somehow move the band to a bigger area	9/14/2022 11:40 AM
106	Move band to a wider intersection, was way too crowded. More food options and extend the square footage of the set up. Lines were way too long and you couldn't move without bumping into people. Thrilled by the turn out but logistics need to be adjusted to accommodate such large crowds. Waited over an hour for all food options we selected. Couldn't find information about handicap parking in advance of the event - publicize accessibility options better. Had to push a wheelchair from the library which was a bummer.	9/14/2022 11:39 AM
107	Maybe a little bigger with more food trucks	9/14/2022 11:39 AM
108	Yes! the food trucks should be moved to side street by Village Hall and/or behind the stage towards the Promenade. It was very crowded although a very good crowd. The families/kids enjoyed Lions Park which was a good utilization of the location. Keeping the food venue separated would allow for better crowd control and ability for those who want to eat to be able to throughout the evening. Beer selection was great- good to have that off to one side and expanded. liked the tables added.	9/14/2022 11:38 AM
109	Maybe have some more kid focused items, away from the band stage (maybe at the other end of the event).	9/14/2022 11:34 AM
110	It may need to go into one of the parking lots to have additional space. It was difficult to navigate once the event was full.	9/14/2022 11:33 AM
111	Have a larger area for RTB (extend the blocked off roads, maybe down Lions Drive a little ways like what was done for Miracle on Main with the horse drawn rides), have food vendors on one side to make it easier to see, or put dessert vendors on one side and food on the other. Just having more space in general because so many people come!	9/14/2022 11:30 AM
112	More food vendors	9/14/2022 11:30 AM
113	Dont allow people to set up chairs so close to the stage. Have police at the intersection of Old Rand and 22, cars werent paying attention to people trying to cross the street and saw a couple people almost get hit.	9/14/2022 11:28 AM
114	Spread the event much further out or move it to Paulus Park.	9/14/2022 11:27 AM
115	it was very tight walking through the crowd especially down the middle of street where the food trucks were, could they be moved in the park area. Think it needs to be spread out more since the even has become very popular.	9/14/2022 11:23 AM
116	Use one ticket per drink instead of needing to buy multiple tickets	9/14/2022 11:22 AM
117	Not at this time	9/14/2022 11:22 AM
118	No	9/14/2022 11:20 AM
119	Individual should not be able to sit in the middle where the band is playing. There should be a designated section for people with chairs. Off to the side of the stage.	9/14/2022 11:19 AM
120	n/a	9/14/2022 11:17 AM
121	Venders need to spread out so the food lines don't block everyone from walking.	9/14/2022 11:16 AM
122	Event should last longer. People look forward to it every year, and it's over so fast. Maybe 3pm-midnight, and/or spread it out over 2 days?	9/14/2022 11:15 AM
123	No	9/14/2022 9:37 AM
124	Needs more space as it is getting larger and it was very hard to move around. Lines were extremely long for food as well. Love it but it was hard to move around the food area.	9/14/2022 7:17 AM
125	Nice job!	9/14/2022 7:04 AM
126	It gets too crowded , can't walk down the street with vendors on both sides of the street. Need more room for the vendors.	9/14/2022 6:04 AM

## Rock the Block 2022 - Attendee

127	More trash cans.	9/13/2022 11:37 PM
128	Better parking options, car was towed. Ruined our evening. More kid friendly options	9/13/2022 11:31 PM
129	Read the last to parts. Rock the block is getting old. Improve the music, turn to younger people, younger music, House DJs to rock a crowd. Classic rock is out the door.	9/13/2022 10:15 PM
130	Create a U shape of food trucks in the Lions lot. Gotta open up Main St. So hard to get through to stage with people and food trucks	9/13/2022 10:07 PM
131	When the bands stop the lines for the food trucks were insane. Couldn't get though.	9/13/2022 9:58 PM
132	More soace	9/13/2022 9:42 PM
133	X	9/13/2022 9:42 PM
134	If it will continue to be that crowded may need to move to larger space. A little to crowded in the time of COVID.	9/13/2022 9:32 PM
135	More food options. Lines were really long	9/13/2022 9:30 PM
136	It is very crowded on the street. Is it possible to find a bigger area so you can hear the band if you are further away from the stage	9/13/2022 9:05 PM
137	Expand down the street and into Lions park. We walked up and left immediately because you could not even get through the crowd. So unfortunately we didn't get to enjoy it this year:({	9/13/2022 9:05 PM
138	Transportation shuttles available	9/13/2022 8:53 PM
139	Could use a little more space, the street was absolutely packed.	9/13/2022 8:16 PM
140	More space. It was very hard to order food/stand in lines without getting in the way of others trying to do the same thing. Could part of Lions Dr be utilized? Maybe swing some of the food trucks down Lions Dr? It wouldn't even have to be too far - just in front of the offices and daycare?	9/13/2022 8:16 PM
141	No	9/13/2022 8:02 PM
142	Need more kid structured games	9/13/2022 7:48 PM
143	Variety in bands. Seems like it's always 7th Heaven or 16 Candles.	9/13/2022 7:47 PM
144	It would be much easier to not have chairs up in front of band. They just stand and the chairs are in the way. People tripping over them empty.	9/13/2022 7:42 PM

4	We felt the event drew too many people for the size of the venue.	9/19/2022 10:21 PM
5	This is my favorite community event, and we can make it even better! I think you block off ORR/Main St for the day, increase the area for the music crowd, bring in more food vendors, and see if you can start at 2-3 PM.	9/19/2022 8:30 AM
6	Do you offer kid friendly band earlier (Laurie Berkner) from 3-4:30 and then do adult bands 5 pm on? The littles would love to dance and would allow opportunity for them to enjoy the moment as well?	9/18/2022 6:35 PM

31	Thanks for a fun event!	9/14/2022 8:08 PM
32	Some food vendors were very busy with long lines and others were not- I noticed that those who weren't as busy didn't have big flashy signs or trucks. I went to one of these and the food was fantastic. Wonder if there is a way to even the field with common signage for the food vendors. Could better control wait times as well.	9/14/2022 7:55 PM
33	The staff did an amazing job. Thank you!	9/14/2022 7:42 PM

58	None.	9/14/2022 11:47 AM
59	I think it's a really fun event - just needs to expand for how many people are coming to it now to make it less shoulder to shoulder!	9/14/2022 11:41 AM

## Rock the Block 2022 - Attendee

62	I'd limit the chair placement near the stage. with a large crowd it doesn't make sense and could be a safety issue, especially with children. seating would be best served behind the sound/light "booth" and vendors moved to side streets (by Village Hall and/or street alongside DiPieros - Bob may be unhappy about that)	9/14/2022 11:38 AM
63	Great job and thank you!	9/14/2022 11:34 AM
64	Had a great time this year again! I have gone every year except 2021.	9/14/2022 11:30 AM

74	Fun event! Weather was beautiful. Terrific job by all!	9/14/2022 7:04 AM
75	I know the name says it all, but with the lines of people waiting for food trucks, it's impossible to walk down the street, especially with children.	9/14/2022 6:04 AM
76	We were disappointed that we had brought chairs to sit and listen to the music and just people watch. We sat on the west side of DiPieros. However, as the evening progressed, people ended up standing on the sidewalk in front of us blocking our view of the stage. And we know that the bands were entertaining and we would have loved to have been able to watch them as well as listen to them. Not sure how to prevent this....or what would have been a better place to sit with a more unobstructed view. Pretty much that was our only disappointment of the event. Also, an FYI to your committee....we went to buy a powdered sugar funnel cake . The sign said \$7. The guy said it was \$10. After telling him that's not what the sign said, he only charged \$7. Yes...he tried to scam us. How many people did he do that to? We felt security was good. Noticed policemen all evening. Thank you!	9/13/2022 11:37 PM
77	If good music is there I might attend. If not I probly will not attend .Just saying .. If it's the same boring carnival music bands. you won't get me out of my house .	9/13/2022 10:15 PM
