What is Wondr?

No points, plans, or counting calories.

Forget eating kale salads 24/7; Wondr is a skills-based digital weight loss program that teaches you how to enjoy the foods you love to improve your overall health. Our behavioral science-based program was created by a team of doctors and clinicians (which is why we left out the “e” in Wondr) and is clinically-proven for lasting results.

*Employees, spouses and covered dependents age 18 and over enrolled in the BCBSIL medical plan are eligible to apply to the program.
