Complete the easy-to-understand questionnaires and then print and review your will and living will, which are created in real time using our advanced technology.

Wills - \$14.99

A will is the cornerstone of an estate plan. A will ensures that your assets are distributed in accordance with your wishes after your death. A will also allows you to name an executor and a guardian to take care of your children if they are minors.

Additional will upgrade options are available, including:

- Printing/Mailing (\$14.99)

Living Wills/Power of Attorney - \$14.99

A living will is an advanced directive that documents your wishes regarding medical treatment and nutrition in the event of terminal illness, coma or vegetative state. A health care power of attorney allows you to give a trusted family member or friend the power to make medical decisions on your behalf should you become unable to make such decisions.

Every adult should prepare a will and living will to protect his or her family and piece of mind. EstateGuidance® is a fast, convenient and affordable way to get it done.
