Kamp Kiddie

3 Years Old-Entering Kindergarten

AGES: 3 YEARS OLD-ENTERING KINDERGARTEN

Kamp Kiddie is a great foundational first day camp experience for our youngest campers! Your camper will enjoy theme days, music and movement, stories, games, outdoor play, nature activities, daily crafts and so much more! The main goal of Kamp Kiddie is to have fun and set your child up for a love of all things day camp!

Please send your camper with sunscreen already applied as we will go outside every day pending weather. Campers should be dressed in comfortable clothes, gym shoes and have a water bottle with them daily. We do group campers by the day that they attend, not their age. For example, if you register for M-F, your child will be with other campers registered for M-F.

DOG OBEDIENCE

Foundation Manners Class

FOR DOGS 4 MONTHS AND OLDER

A well-mannered dog starts with more than just "sit" and "stay." This class goes beyond the basics to help you understand your dog's body language, meet their needs, and build behaviors that last. You'll learn how to strengthen everyday skills like loose leash walking, recall, settling at home and in public, and proper greetings with people and other dogs.

Our first session is an orientation for humans only (no dogs) so we can set you up for success before bringing your dog to class. Each week after, you and your dog will work hands-on with guidance and support to make training practical, positive, and effective for real life. By the end of this course, you'll have the tools to create a stronger bond, better communication, and reliable manners that help your dog thrive at home and out in the world.
