MEMORANDUM

Date: October 13, 2015  
To: Steve Husak, Interim Village Manager  
From: Miriam Hernandez, Accounting Supervisor  
Subject: Annual Treasurer's Report for Fiscal Year 2014/15

**Issue:**

The attached Annual Treasurer's Report is required to be prepared each year by Illinois State Statute. The report is to be submitted to the Village Clerk and filed with the County Clerk before the end of October 2015.

**Analysis:**

As the statute defines, the report must contain information regarding revenues, a summary statement of financial condition, a detailed list of vendor payments in excess of \$2,500 for the fiscal year and annual compensation for any employees paid during the period, current or former. The statute does allow for employee compensation to be listed in groups per ranges. In order to comply with the state statute, the village must also publish the report in its entirety in a local newspaper of general circulation, certified by the Village Clerk. This will be completed before the end of October, along with the filing with the County Clerk's Office. The report will also be posted on the Village's website, to allow for any interested parties to easily view the report at their convenience.

**Recommendation:**

The Annual Treasurer's Report for the fiscal year ended April 30, 2015 is hereby submitted for informational purposes.
