## Classification of Liquor Licenses

### General Provisions

1. The classes of liquor licenses in the village are those classes set forth in this section. There are no other classes of liquor licenses in the village.
2. No liquor license of any class may be issued by the village unless a license is authorized by section 3-3B-10 of the Village Code and has not already been issued.
3. No liquor license may be issued by the village until after the applicable fee for the license has been paid in full.
4. Licensed locations that serve alcoholic beverages for on-premises consumption, other than event licensees, shall provide service with employees no less than 21 years of age that have completed the beverage alcohol sellers and servers' education and training (BASSET) program or training for intervention for procedures (TIPS) program or their recognized equivalent. That training must take place before the person engages in the activity for which training is required. In addition to every other penalty provided by this code, any failure to comply with this subsection will be cause for the denial, suspension, or revocation of a liquor license.
5. Alcoholic beverages shall only be sold by individuals no less than 21 years of age. The serving and curbside delivery of alcoholic beverages of establishment employees at least 18 years of age is permitted.
6. The sale and service of alcoholic beverages, unless otherwise stated within a license class is limited to the hours between 6 AM and 2 AM (the following day).
7. Delivery means the movement of alcoholic beverages purchased from a licensed establishment via curbside or third-party contractor, independent contractor or agent in compliance with the Illinois Liquor Control Act.
