**Q1** What comments would you like to provide to the Planning & Zoning Commission on the draft Comprehensive Plan document?

It appears to me that except for a few widely dispersed parcels that LZ is pretty much built out. It looks to me as if the Board and this new Comprehensive Plan is taking a realistic approach to future development and even more importantly redevelopment. I recommend continued attention be paid to areas where residential and retail butt up against each other and that developers/property owners provide improved buffering between the two.

**Q1** What comments would you like to provide to the Planning & Zoning Commission on the draft Comprehensive Plan document?

New village ordinance that prohibits vehicle sidewalk parking without leaving enough unobstructed sidewalk width (ADA, strollers, etc.) and forcing Police issue tickets. Now in LZ people use sidewalks as extension of their driveways.

This administration is a Joke. Our mayor is terrible and this town is horrible. We have no Restaurants, our town is building apartments that will bring in low income people. What stupid officials we have elected. Just go to every single towns downtown area, and look how beautiful they have made it. Lake Zurich has a guitar joint and and ice cream place open a few times out of the year. Bunch of liberals running the town and making it go down the drain.

NO MORE mattress stores. Mattress Firm is monopolizing and taking up too much retail space. Many times two retail stores in the same intersection as is the case on Rand/Rt22. I've seen some intersections in other cities have 3 Mattress Firms. It is ridiculous.

Sub area 4-West side residential area has poor walk-ability especially along the Rand Road corridor. Side walks end abruptly and crossing Rand road or any other intersecting roads is dangerous.

Requesting more reason for people to utilize downtown. More restaurants, cafes etc.

Please consider including Meadowwood Subdivision as part of the comprehensive plan. We all pay taxes and would love to be considered part of the village.
